Building & Location

Designed by MCMi Architects, The Grosvenor Building is a premier downtown office building featuring an exceptional location, elegant design and first-class amenities. The building is ideally located in the heart of downtown Vancouver on West Georgia Street between Burrard and Thurlow Streets. Built in 1986 and updated in 2025, this class A office building offers tenants a functional and high-quality workspace. Easy access to main arterial traffic corridors and transit including the Burrard Street SkyTrain Station and rapid bus routes are located within one block of the building.

Floor plan
