Wellness Advantages

Office campus amenities (including walking and biking trails and a dog park) allow Lenox Park tenants to incorporate the entire park as an outdoor element of their office environment, with full wifi access, and spaces for outdoor meetings and casual gatherings.

Financial Advantages

Lenox Park represents an opportunity that can't be replicated in Atlanta. The intown markets of Buckhead, Midtown, and Downtown have few (if any) parcels left on which to build a million-square-foot campus. With a superior, proven location adjacent to Atlanta's premier residential neighborhoods and destination retail, Lenox Park offers rates far below new development or replacement cost.
