Indy by Industrious California Street is a flexible, hospitality-driven workspace right in the heart of downtown San Francisco. Just steps from the Bay, it's easy to slip out to walk to the Ferry Building, grab lunch at one of the many casual dining spots, or meet coworkers for after-work drinks. Our industry-leading hospitality team makes sure every detail of your day is taken care of, so you can focus on what matters most. Inside, members enjoy bottomless craft coffee, blazing-fast Wi-Fi that's three times faster than the industry norm, and coworking lounges furnished with comfort and ergonomics in mind (think a couch that actually understands your back).
