## Warehouse, Distribution & Office

### Lease Opportunity – 1200 Putman Ave, Yuba City

1200 Putman Avenue in Yuba City, California is a well-maintained, concrete tilt-up industrial facility totaling approximately 37,500 square feet of warehouse space with additional mezzanine and second-floor laboratory areas. The building also includes 4,500 square feet of office, supported by generous on-site parking.

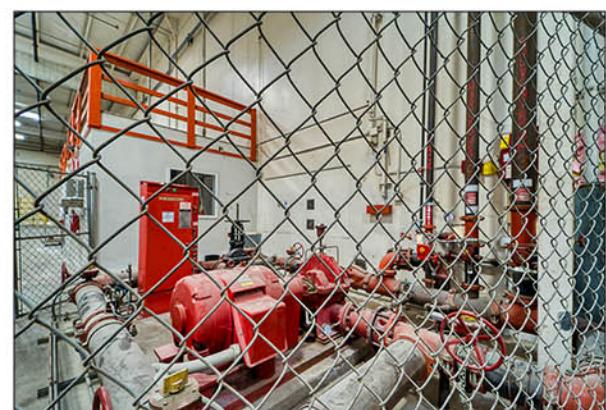

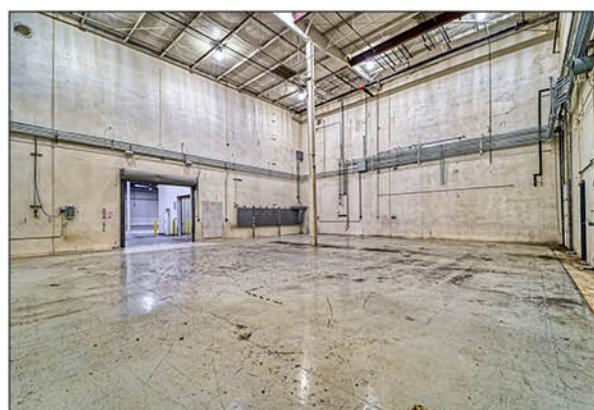

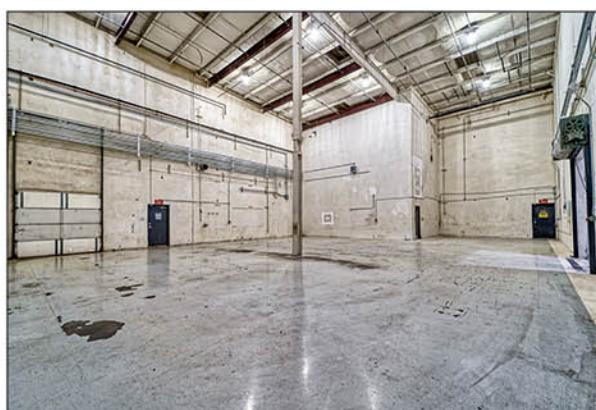

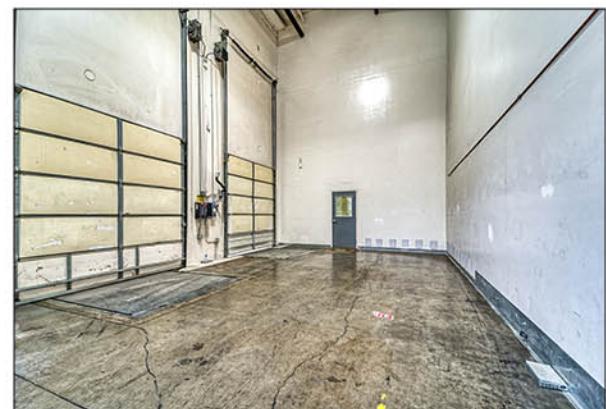

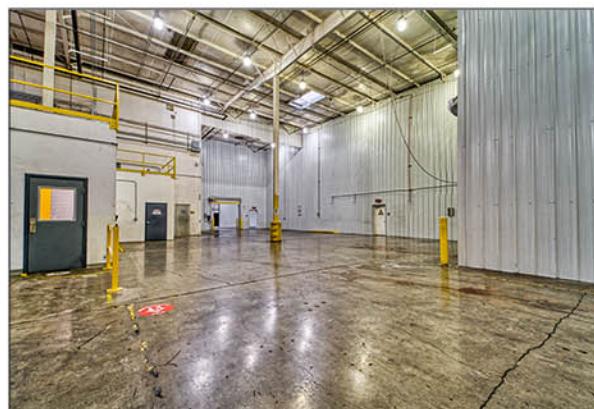

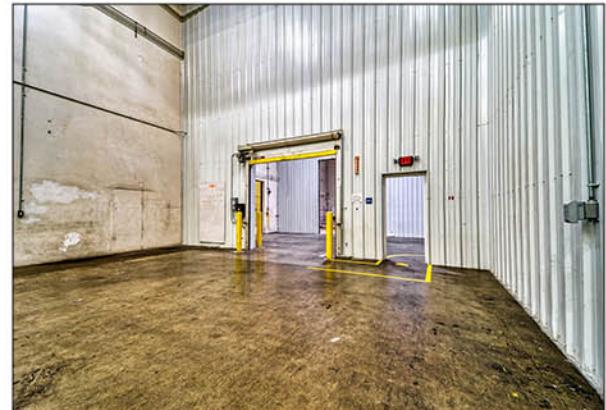

Situated on 3.7 acres, the property offers efficient circulation, ample truck and trailer parking, and secure site access through key-code entry gates. The warehouse features 31-foot clear height throughout, multiple electric and manual roll-up doors, and four recently installed truck docks with self-levelers. The roof was replaced approximately three years ago.

The facility is equipped with substantial power capacity, suitable for a wide range of industrial or production uses. Most recently operating as a quinoa processing facility, the building met full FDA food-grade standards and has benefitted from over \$1 million in upgrades within the past three years, including extensive improvements to meet food-grade operational requirements.

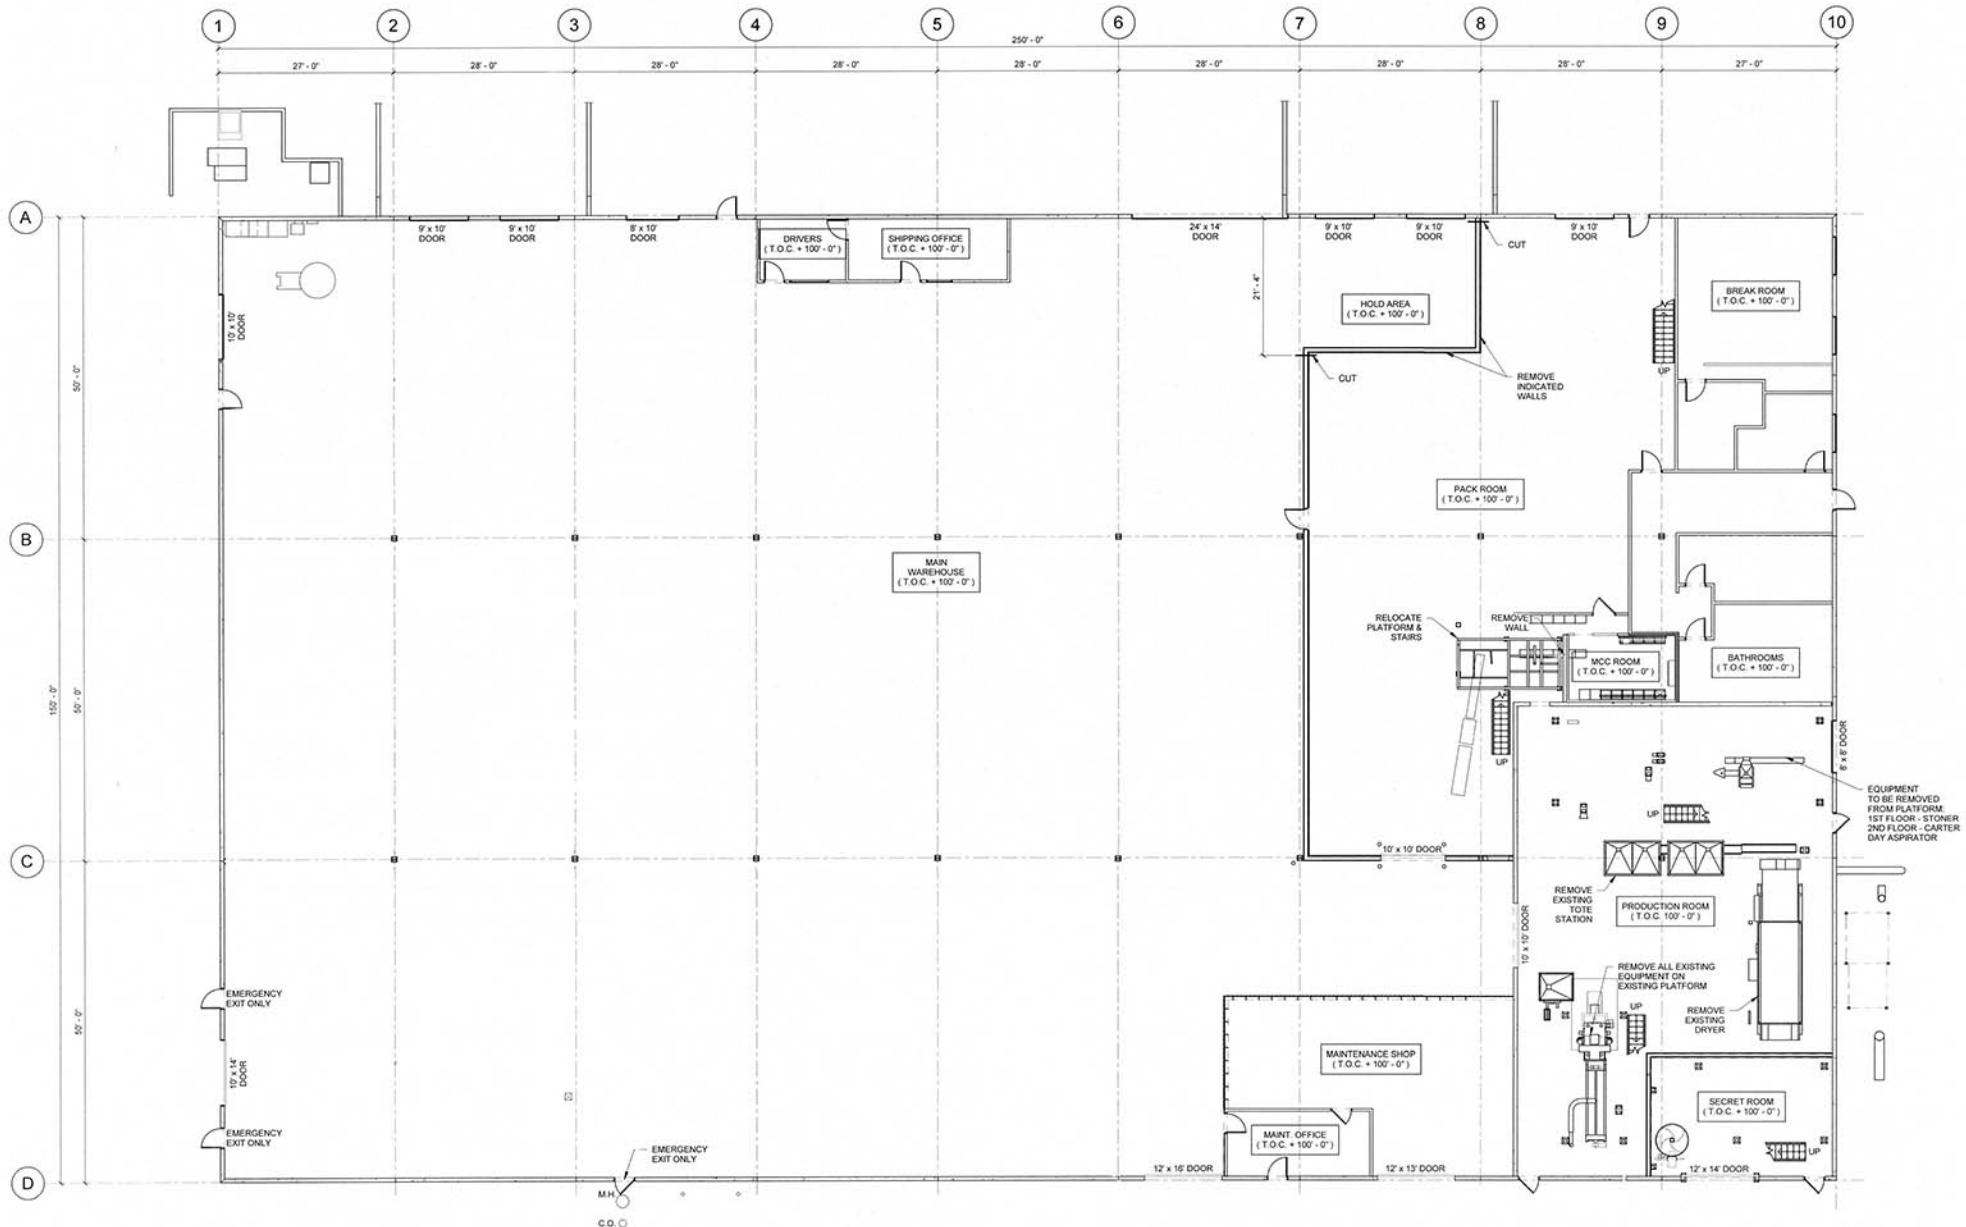

Its location provides convenient regional access—5 minutes from Highway 99, 10 minutes from Highway 20, and approximately 40 minutes to Sacramento and Sacramento International Airport. Monument signage opportunities further enhance visibility for users seeking a strong presence.

Overall, 1200 Putman Avenue offers a modern, secure, and highly functional facility well suited for food-grade operations or other specialized industrial uses requiring power, clear height, loading, and site efficiency.
