Tenant: Friendly's

Friendly's is more than just a restaurant; it's a Northeast staple with a heritage dating back to 1935. Founded in Springfield, Massachusetts, the brand built its reputation on the simple combination of quality diner-style comfort food and premium ice cream. Over the last eight decades, it has grown into a household name, famous for its signature Fribbles, SuperMelts, and family-friendly atmosphere.

The brand reached a pivotal milestone in late 2020 when it was acquired by Amici Partners Group, LLC. This acquisition was a strategic move to modernize the brand while preserving the classic experience that loyal customers expect. Today, Friendly's continues to thrive across roughly 100 locations, maintaining a dominant footprint in the Northeast market.

Guarantor: Amici Partners Group, LLC

The lease is backed by a corporate guarantee from Amici Partners Group, a powerhouse in the franchise and restaurant investment space. Amici is closely affiliated with BRIX Holdings, a multi-brand platform known for scaling high-growth concepts. Their portfolio includes national names like Red Mango, Smoothie Factory, and RedBrick Pizza. By bringing Friendly's under their umbrella, Amici has provided the corporate stability and operational expertise necessary to ensure the brand's long-term success in the evolving fast-casual landscape.
