2320 Town Street offers a functional office/warehouse building well suited for contractors, service companies, light industrial users, fleet-based operations, or owner-users seeking a centrally located facility in Pensacola. The property is zoned HC/LI, Heavy Commercial/Light Industrial, allowing for a broad range of commercial and industrial uses. The building contains approximately 10,053 square feet and features concrete block and brick veneer construction with a metal roof.

The front portion of the building is dedicated to office use and includes a lobby/reception area, administrative workspace, multiple private offices, a large open work area, employee breakroom, and two restrooms, one of which includes a full bath. Interior office finishes include a mix of ceramic tile and vinyl tile flooring, creating a durable and practical contractor-style office environment.

The rear portion of the building is configured for warehouse use and includes three warehouse bays, freight doors, and a 10' x 10' roll-up door. Warehouse ceiling height is approximately 11 feet. The property also includes chain-link and wood perimeter fencing, providing secured exterior yard and fleet storage, with exterior lighting added for additional security and operational convenience.
