J&C INDUSTRIAL PARK

The J&C Industrial Park (J&C) is a 300 acre industrial park situated generally on the NW corner of Pine Ridge Rd., and Airport-Pulling Rd. in North Naples, FL.

This location has the closest proximity to the coastline of any other industrial park in North Naples, providing quick and easy access for the many wealthy clients to the business located in the park. And yet lies only 2 miles from I-75.

J&C is zoned Industrial (I) and consists of a very broad spectrum of Industrial uses from construction debris recycling, manufacturing, simple warehousing/storage, light-industrial flex uses, up to art studios. Buildings constructed in J&C date back to the late 1970's to new construction in 2024.

J&C is not governed by architectural controls and similar governance; simply by the Collier County Development Codes applicable to Industrial zoning districts.
