THE MOST BUSINESS-MINDED STATE

Evaluating the incredible potential of the Hoosier Heartland Industrial Park starts at the highest level—like a 30,000-foot view down on where the Park calls home, in **Carroll County**.

That's because, before any other advantages, the Park's location in **Delphi, Indiana**—the Midwest's unrivaled pro-business leader—lays the groundwork for maximizing your success potential and, ultimately, the return on your property investment.

THE MOST POSITIVE ECONOMIC ENVIRONMENT

#1 in the U.S. for
“Low Cost of
Doing Business”

CNBC (2015)

#1 in the Midwest
#2 in the U.S.
“Best States for Business”

Forbes Magazine (2015)

#2 in the U.S. for
Easiest Regulatory
Environment

CNBC (2015)

THE MOST TECHNICALLY SKILLED LABOR FORCE

#1 in the U.S. for
% of workforce in
manufacturing

U.S. Bureau of Labor Statistics (2015)

#1 in the U.S. for share of
advanced-manufacturing
employment

*Ball State University Center for
Business & Economic Research (2016)*

The Midwest's pacesetter
for pro-business policy.
Indiana is the region's first
Right to Work state and one
of only a few states in the
union to cut taxes by nearly
25% and still maintain an
AAA credit rating.

(Standard & Poor's, Fitch and Moody's)

THE MOST BUSINESS-READY PARK

Unlike any other site in the area, the **Hoosier Heartland Industrial Park** and its Carroll County community promise everything you need to open your doors and hit your productivity stride as fast as possible—quality labor, low initial capital investment, ideal logistics and more.

THE MOST ACCURATE DEFINITION OF 'SHOVEL-READY'

Curbs, gutters, a detention pond and site-wide drainage are already in place, and all major utilities are plug-and-play ready on every lot—which means:

Lower
construction costs

Zero impact fees
with minimal permitting

Earlier
business launch

THE MOST FORWARD-THINKING WORKFORCE INITIATIVES

Part of Indiana's Region 4, which is **#1 in the state** for workforce **grant applications & programs**

Carroll High School is **#1 among state public high schools** for per-capita **scholarship dollars**

Inside Indiana's Best Kept Secret.

Carroll County is "where opportunities are endless," offering a Stellar Community, rich in history along the Wabash and Erie Canal. It has an impressive performing arts venue at the Delphi Opera House, competitive schools, adventurous outdoor activities and a low cost of living. Learn more at carrollcountyindiana.com

THE MOST RESOURCEFUL LOCATION

Only a few I-65 miles **from Indy and Chicago**

Indiana's **maritime ports rank 6th** in waterborne shipping —Only statewide port system with direct waterway **access to 2 U.S coasts**

Only 1 day away, by ground, **from 75%** of the **U.S. population**

Only minutes from Purdue University— a world-renowned research institute and center for tech commercialization, patent development and business startups.

THE MOST BUSINESS-PASSIONATE PEOPLE

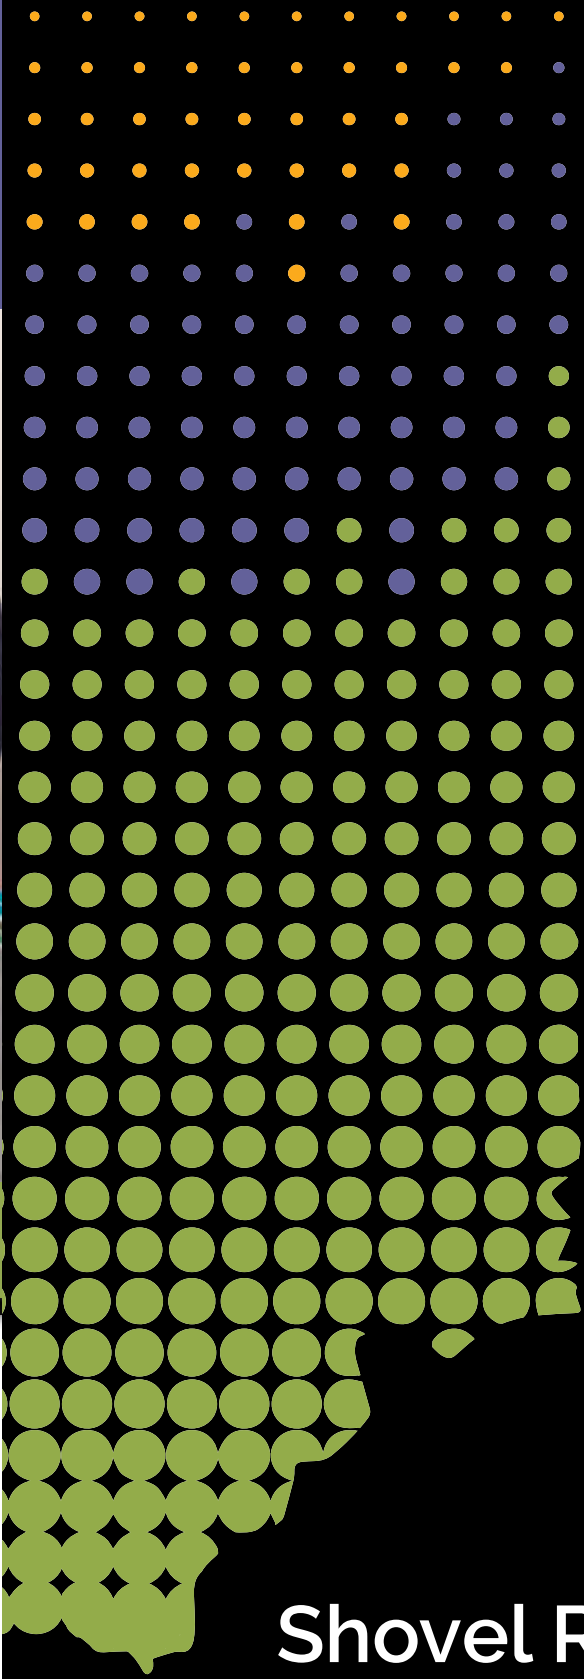

Redevelopment Commission Board • Elected Officials • Economic-Development Staff
• All committed to making your business launch here as easy as possible •

After all the data and all the sales pitches, no other community is more passionate about bringing in new business and clearing away any hurdles that might stand in the way.

When the **Hoosier Heartland Industrial Park** already 'sweetens the pot' with potential state tax credits, grant funding, tax-increment (TIF) financing and other incentives, Carroll County is still eagerly willing to hear and propose additional ideas to close the deal.

"Without question, the Economic Development team has a common goal of adding value to our community. With their help selecting an affordable and efficient location for our new facility, we're confident our member customers will be better served. The team's drive and expertise provided us with options and solutions to complete our project on time and under budget."

-Randy Price, CEO of Carroll White REMC
