LEASING OPPORTUNITIES

In the Growing Madison,
Mississippi Community

Baptist Memorial Health Care Corporation (BMHCC) and Boldt Healthcare Real Estate are partnering to bring a new Class A physician office building to BMHCC's Madison campus. The four-story building will allow its physicians to access the growing and affluent market of Madison while continuing to serve the broader Jackson market through convenient I-55 access.

Current providers in the 1026 Building include Jackson Eye Associates ("JEA") and Mississippi Retina Associates ("MRA"). JEA and MRA conducted multi-year searches for their new flagship locations in the Madison and Ridgeland markets. They selected 1026 Baptist Circle for its prominent location, highway visibility, proximity to other medical providers, and the opportunity to continue partnering with BMHCC.

The 1026 Building opened its doors to patients in June 2024 and has ample room to accommodate both small and large practices looking to position themselves alongside BMHCC and solidify their place in the Madison market.
