View from Market Street

The first phase of the building was completed in 1986 (first floor). The second phase of the building was completed in 2010 (second floor). The building was most recently used as First Exchange Bank's Headquarters until the bank's headquarters was moved to its new White Hall Banking location in 2019. The property is zoned "Downtown Commercial".

The condition of the building is excellent, all brick exterior, both central and individual office HVAC, rubber roof, and nice office space. All private offices and the board room have natural light.

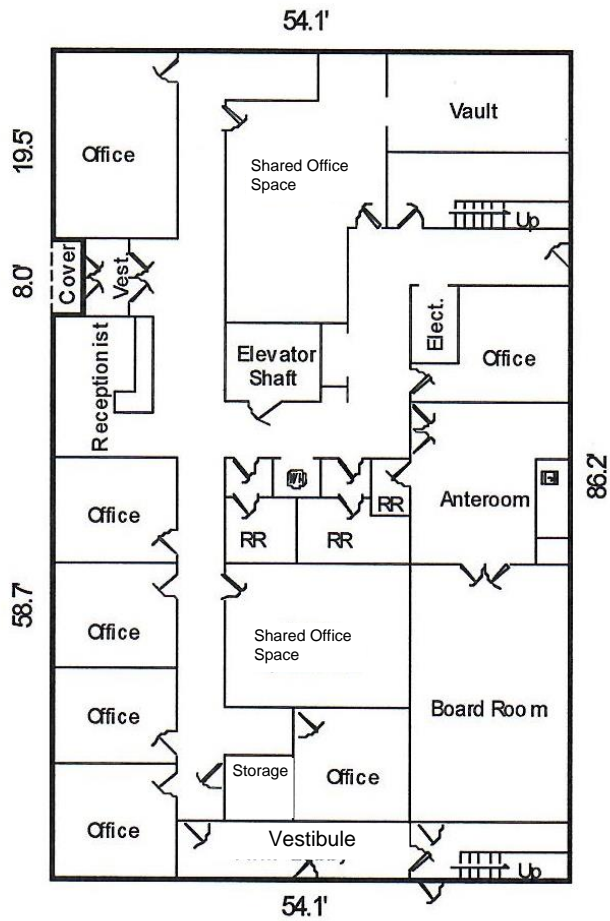

The building features 13 offices, a large board room with ante room attached, conference rooms, larger rooms with enough area for multiple employees, five restrooms, a document vault, and more. There are three entrances, one off of Main Street, one off of Market Street, and one off of the parking lot located at the rear of building. All public utilities and high speed internet is available.
