INVESTMENT OVERVIEW Marcus & Millichap is pleased to present Lake Country Apartments, a multifamily residential community located in Siren Village, Wisconsin.

Constructed in 2023, the property consists of 24 two-bedroom, one-bathroom apartments across three eight-unit buildings situated on

 $approximately\ five\ acres.\ Complementing\ the\ residential\ buildings\ are\ three\ garage\ structures,\ each\ with\ eight\ enclosed\ stalls,\ providing\ ample$

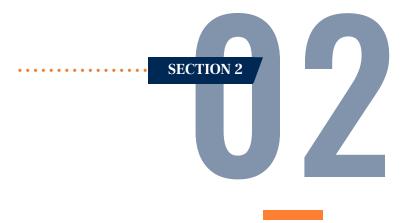

parking and tenant convenience. With all units fully leased prior to completion and a demonstrated waitlist of over 150 applications for the initial

building, the property reflects extremely strong demand fundamentals in a high-barrier rental market.

The apartments average 782 square feet and feature open floor plans, decks or patios, waterproof laminate flooring, plush carpet, in-unit washer/dryer, hickory cabinetry, sound-dampening between walls and ceilings, and energy-efficient appliances, including dishwasher, microwave, stove, and refrigerator/freezer. Additional property amenities include fiber internet access, Trex decking, LP SmartSide 30-year siding, architectural shingle roofs, "dusk-to-dawn" lighting, on-site pet areas, and built-in grills. Tenants are responsible for electric, water, and sewer, contributing to highly efficient operations with low maintenance. Moreover, the property's brand-new construction ensures minimal near-term capital expenditures while offering expansion potential, with approvals already in place for two additional eight-unit buildings and possible entitlement for a larger 30-unit development. With Wisconsin's housing shortage anticipated to persist, Lake Country Apartments provides investors with a stable, income-producing asset and a path to long-term growth.

MARKET OVERVIEW

Market Overview Demographics

MARKET OVERVIEW

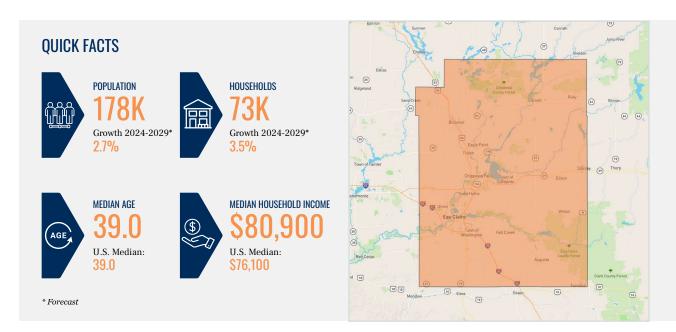

EAU CLAIRE, WI

Located about 90 miles east of the Twin Cities, the Eau Claire metro consists of Eau Claire and Chippewa counties. The city of Eau Claire is the eighth largest in Wisconsin, while Eau Claire County ranks as the 14th most populated in the state. Along with Midwestern connectivity, the Chippewa Valley Regional Airport offers seasonal routes to Las Vegas, Orlando and Fort Myers. By 2029, the metro is anticipated to gain roughly 4,900 residents, resulting in the creation of about 2,600 new households. Eau Claire boasts a younger populace than the national average, due in large part to The University of Wisconsin-Eau Claire's student body. As such, roughly 28 percent of residents in the metro are below the age of 25, while only 18 percent are in the age 65-plus cohort.

ECONOMY

- The headquarters for Menards, Inc., a home improvement brand, is located in Eau Claire. The company employs more than 300 residents across corporate and retail locations in the metro.
- Eau Claire's largest employers include the Mayo Clinic, Nestle, Cascades Tissue Group, Market & Johnson, Wisconsin Department of Natural Resources and Marshfield Clinic.
- A sizable share of young adults in the population, along with an overall median household income below the national average, has led to more than one-third of residents renting housing units.
