Alexander & Baldwin is pleased to offer 81 fee simple lots and 22 condominium units (approximately 1/2 acre and larger) for sale within the Maui Business Park (“MBP”). MBP’s M-1 (light industrial) zoning allows for warehousing, distribution, light manufacturing as well as retail and office uses, while its placement within Kahului’s Opportunity Zone offers tax deferral incentives.

Maui Business Park is situated near the Kahului Harbor and Kahului Airport, with immediate and easy access to all parts of the island.

This offering consists of three areas, the North Project (29 lots), the South Project (52 parcels) and the Ho’okele Condominiums (22 units). Construction of the infrastructure has been completed with all improvements in place.
