Huntsville is the fastest-growing city in Alabama. A 2021 study by SmartAssets, ranks Huntsville as the sixth best city in the country to work in manufacturing. It has two major interstates (I65 and I565) and two major state highways (231 and 431) running through the heart of the city. Huntsville is well-known for its short drive times. The city is investing more than a quarter billion dollars over the next decade to improve and expand the capacity of the existing network.
