Offering Details

Townhome Unit Lots , Lindstrom 55045

Sunset Meadows, Lindstrom, MN

The developer is offering 14 townhome unit lots for sale in the Sunset Meadows development Phase I for \$600 per lot front foot in a scheduled take-down sale. It is our understanding that municipal utilities are stubbed to each of the townhome unit lots. The total offering consists of 14 individual units as follows: Block 3 – 4 attached units, Block 4 – six (6) semi-detached units (side by side) and Block 5 – 4 attached units. The builder will initially purchase Block 3, Block 4 will be acquired no later than 4 months thereafter and Block 5 will be acquired no later than 2 months after the acquisition of Block 4. This provides the builder the opportunity to construct a model unit and pre-sell units.

An association will be established by the developer to manage common elements. The builder will install a yard, trees and an underground sprinkler system in the common area in addition to any city landscaping requirements on the lots.

The developer will require a non-refundable earnest deposit equal to 10% of the total purchase price of the lots upon execution of a written purchase agreement.
