Property Overview

Saddlespur Lane is a ±3.534-acre engineered commercial development site located in the high-growth Katy submarket of Fort Bend County, one of the fastest-growing counties in Texas. Positioned near the I-10 corridor and surrounded by affluent master-planned communities, the site benefits from strong household incomes, discretionary spending power, and a well-established automotive and hobbyist culture. The highest and best use of the property is the development of a luxury garage condominium complex designed for antique and luxury vehicle storage, recreational “toy” storage (boats, RVs, specialty vehicles), and customizable private “man cave” units — a product type that has demonstrated strong absorption and limited supply in the corridor.

Anyone looking to develop the Luxury Garage Condo opportunity will obtain a property with MUD water rights, survey’s, including topos, Phase 1 enviro studies, Geotechnical studies, detention pond specs reviewed and approved by Civil Engineers and preliminary site plans and elevations, putting them ahead of the game. Time is money. While luxury garage condos represent the most logical and efficient development path, the site also presents a compelling opportunity for alternative uses such as office condominiums or small-bay industrial units consistent with area growth trends.

Property Highlights

Size	3.534 Acre
Zoning	Commercial

Investment Highlights

Prime Katy / Fort Bend Location

High-growth Houston corridor with strong household incomes and limited competing luxury garage/flex inventory.

Utility & MUD Pathway Established

MUD water rights secured and utility coordination completed, providing clear infrastructure certainty.

Engineered & De-Risked

Drainage reviewed, stormwater detention designed, and key development hurdles addressed.

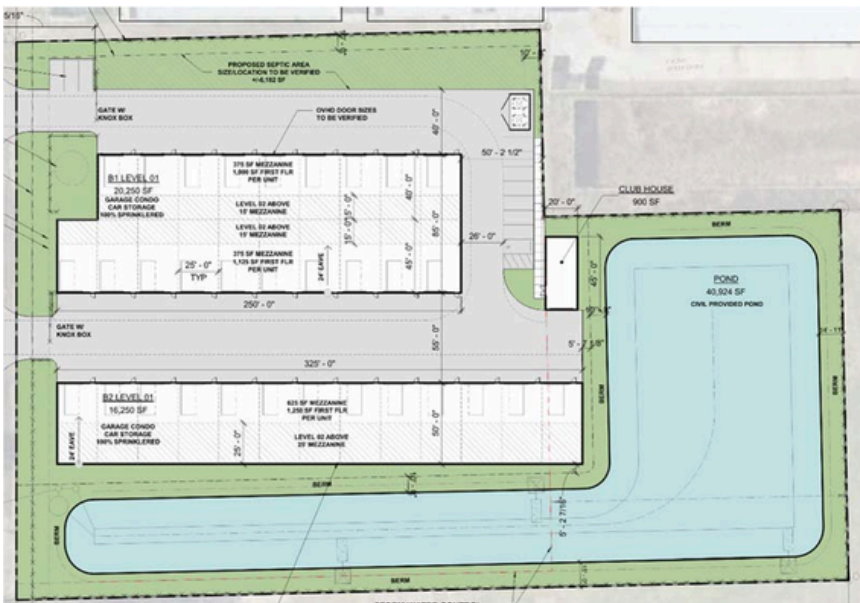

Accelerated Path to Construction

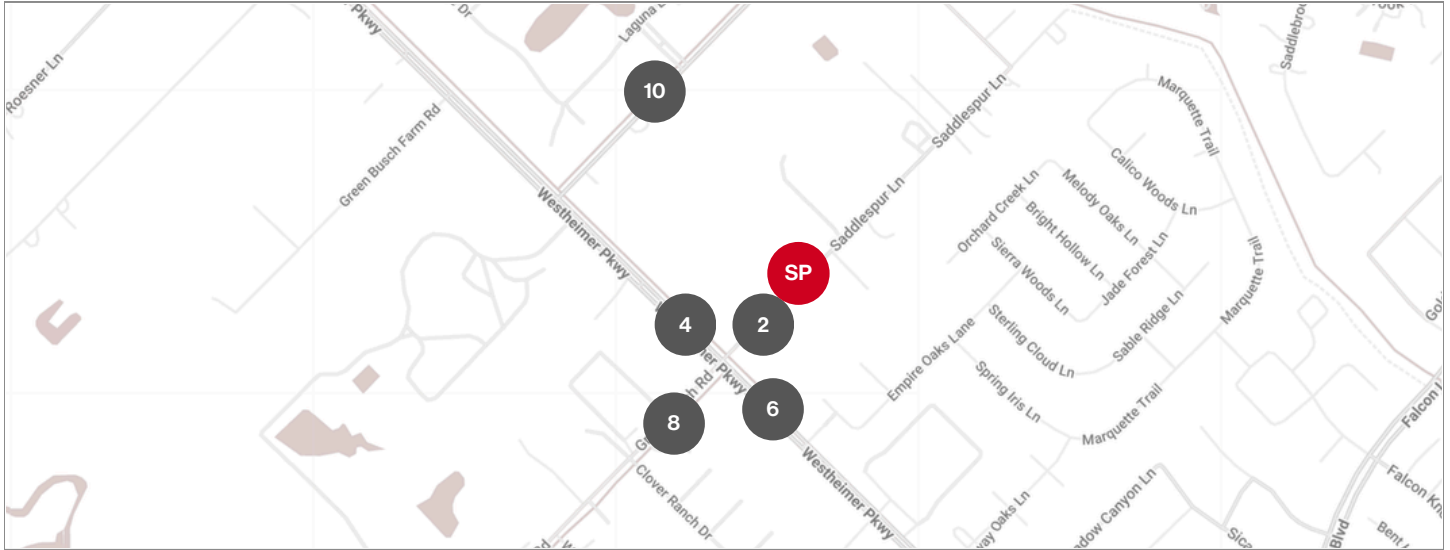

Civil engineering advanced with site layout and building proposal available, reducing pre-construction risk.

Flexible Exit Strategies

Supports condo sell-out, phased development, stabilized hold, or bulk sale to an operator.
