INTERNATIONAL BUSINESS MACHINES CORPORATION ("IBM")

November 3, 1988
Reasoning State 887-89

IBM, the undersigned land owner and reasoning applicant, hereby proffers that the development of the subject property (parcel 102-(11)-60) shall be in strict accordance with the following conditions:

1. The uses proposed for the subject property shall be similar to the existing manufacturing or other uses on the adjacent IBM property including, but not limited to, office use and storage of equipment and supplies.
2. At the time of site plan approval IBM shall dedicate for public road purposes a strip of land across the frontage of the property on Wellington Road to a depth of forty-five (45) feet from the existing centerline of Wellington Road. IBM agrees to construct across the frontage of the subject property pavement twenty-six (26) feet in width from said centerline, with curb, gutter and, if applicable, sidewalk, in accordance with Virginia Department of Highways and Transportation design and construction standards. This construction will be done when Wellington Road is so widened on either side of the subject property.

3. Subject to the provisions of the Prince William County Zoning Ordinance, the owner proffers that the development of the property which is the subject of this application shall be in strict accordance with the conditions set forth in this proffer statement unless an amendment thereto is mutually agreed upon by the Board of Supervisors and the undersigned.
4. These proffers are the only proffers submitted in connection with this reasoning application 87-05 and shall be effective upon recording by the Board of Supervisors of Prince William County, Virginia, to the 2-1, Light Industrial Zoning District and acceptance of these proffers by that Board. All other previous proffers submitted as a part of this reasoning application are hereby revoked.
