

## ABOUT THE PROPERTY

This is an exceptional and rare opportunity to develop in the heart of Savannah's MLK-Montgomery Enterprise Zone. The site comprises of seven contiguous lots undergoing recombination with conceptual plans for 20 townhomes or 44+ multifamily units. The lots cover approximately 0.74 acres, which are currently being recombined. Conceptual development plans are available upon request.

Situated in a high-growth corridor, these lots are ideally positioned near major economic drivers and key city attractions. This offering presents a rare chance to capitalize on Savannah's booming real estate market with flexible development potential and enterprise zone incentives.
