

The following disclaimer applies to all information, content, and materials published on this website and in any associated marketing materials, listing presentations, property brochures, digital publications, online listings, and other promotional content relating to properties marketed by Company on behalf of a property owner, seller, or landlord (collectively, "Property Owner"). By accessing, viewing, or relying upon any such information, all prospective purchasers, tenants, cooperating brokers, and other users ("Users") acknowledge and agree to the terms set forth below. These protections apply jointly to Company and Property Owner.

### **Basis and Limitations of Property Information**

All property information published on this website and in associated marketing materials — including but not limited to property descriptions, dimensions, features, photographs, financial data, and market information — has been obtained from sources believed to be reliable, including information provided by the Property Owner and third-party data sources. Neither Company nor Property Owner makes any representation or warranty, express or implied, as to the accuracy, completeness, currentness, or fitness for any particular purpose of such information. Users are solely responsible for independently verifying all information prior to making any decision to purchase, lease, or otherwise transact with respect to any property.

### **Information Sourcing**

Property information published by Company is compiled in good faith from multiple sources, which may include data supplied by the Property Owner, MLS systems, public records, governmental databases, third-party analytics platforms, and AI-assisted tools. Neither Company nor Property Owner independently verifies all such third-party data, and neither assumes responsibility for errors, omissions, or inaccuracies originating from any such source. The presence of information on this website does not constitute a representation that such information has been independently confirmed.

### **No Liability for Errors or Omissions**

Neither Company nor Property Owner shall be liable to any User for any errors, omissions, or inaccuracies in property information published on this website or in associated marketing materials, including but not limited to errors arising from:

- Information that was accurate at the time of publication but has since changed
- Data independently compiled, estimated, or generated by Company, third-party data providers, or AI-assisted tools
- Typographical, transcription, or formatting errors
- Third-party sources including MLS data, public records, mapping services, or market analytics platforms
- Information not known to Company or Property Owner at the time of publication

### **Pricing, Terms & Availability**

All pricing, terms, property features, and availability information is subject to change at any time without notice. Publication of any pricing or terms on this website does not constitute an offer to sell or lease, and no binding agreement shall arise from the publication of any information hereon. Neither Company nor Property Owner is obligated to accept any offer based on information published on this website.

### **Duty to Conduct Independent Due Diligence**

All Users are strongly advised and expected to conduct thorough independent due diligence with the assistance of qualified legal, financial, technical, and other licensed professionals before making any purchase or leasing decision. Neither Company nor Property Owner assumes any responsibility for decisions made in reliance on information published on this website or in associated marketing materials without independent verification.

### **Entitlements, Land Use & Regulatory Matters**

Any information published regarding entitlements, zoning classifications, conditional use permits, variances, development agreements, permitted uses, density, floor-area ratio, height limits, setbacks, or development potential reflects conditions as understood at the time of publication. Entitlements and regulatory approvals are subject to amendment, expiration, appeal, moratorium, or revocation by governmental authorities at any time without notice. Neither Company nor Property Owner assumes liability for changes in entitlement status, zoning, or land use regulations occurring after the date materials are

prepared. All Users are directed to independently verify current entitlement and regulatory status directly with the applicable governmental authority.

### **Surrounding Area, Neighborhood & Adjacent Properties**

Descriptions of the surrounding area, neighborhood character, adjacent land uses, and neighboring properties reflect conditions observed at or near the time of publication and are subject to change without notice. Neither Company nor Property Owner makes any representation or warranty regarding:

- The identity, conduct, or future activities of neighboring property owners, tenants, or occupants
- Changes in adjacent land use, including new development, demolition, or repurposing of neighboring parcels
- Future construction on surrounding properties that may affect noise, light, privacy, or access
- Changes in the character, safety, demographics, or desirability of the surrounding neighborhood
- The continued operation of nearby businesses, institutions, or community anchors referenced in any marketing materials

### **Public Infrastructure, Roads & Parking**

Information regarding public roads, streets, highways, intersections, access points, and parking facilities — including on-street parking, public parking structures, and surface lots — reflects conditions at the time of publication. Such infrastructure is subject to change by governmental agencies at any time, including but not limited to:

- Road widening, realignment, closure, or conversion (including to pedestrian or bicycle use)
- Changes in parking regulations, permit requirements, time limits, or elimination of parking supply
- New or removed traffic signals, roundabouts, turn restrictions, or lane configurations
- Construction of new roads or highway interchanges affecting access or traffic patterns
- Changes to loading zones, fire lanes, or access easements affecting the subject property

Neither Company nor Property Owner guarantees the continued availability, configuration, or condition of any public road or parking facility referenced in any marketing materials.

### **Amenities, Trails & Recreational Facilities**

References to nearby trails, parks, open space, recreational facilities, and other amenities are provided as general locational context only and do not constitute a representation that such amenities will remain available. Such amenities are owned and operated by governmental entities, quasi-governmental bodies, or private organizations over which neither Company nor Property Owner exercises any control. These amenities are subject to change, closure, reduced hours, fee changes, or elimination at any time without notice. Users should independently verify the current availability, condition, and accessibility of any amenity referenced in any marketing materials.

### **Public Transportation**

References to public transportation options, including bus routes, light rail, commuter rail, bus rapid transit, and associated stops, stations, and shelters, reflect schedules, routes, and infrastructure existing at or near the time of publication. Public transit systems are operated by independent governmental or quasi-governmental transit authorities and are subject to route changes, stop relocations or eliminations, schedule modifications, service reductions or discontinuation, and fare changes at any time. Neither Company nor Property Owner assumes any responsibility for changes to public transportation services or infrastructure that may affect a property's perceived convenience or accessibility.

### **Traffic Signals & Traffic Patterns**

Information regarding traffic signals, traffic control devices, signal timing, and prevailing traffic patterns reflects conditions at or near the time of publication. Traffic infrastructure and signal programming are managed by governmental agencies and are subject to change. New development in the surrounding area may materially alter traffic volumes, congestion levels, and access conditions. Any traffic studies, counts, or level-of-service information included or referenced in marketing materials may not reflect current or future conditions and should be independently verified by Users.

### **View Corridors & Solar Access**

Any references to views, view corridors, scenic vistas, or solar access — including mountain, valley, water, skyline, or open space views — describe conditions as observed at or near the time of publication. Views and solar access are not guaranteed and may be materially and permanently altered or eliminated by:

- Construction of new buildings or structures on adjacent or nearby parcels
- Growth or planting of trees and vegetation on neighboring or public properties

- Changes in zoning or height limits on surrounding parcels that permit taller structures
- Utility infrastructure, signage, or other improvements installed by governmental or private parties
- Seasonal or permanent changes in vegetation on public lands or rights-of-way

Neither Company nor Property Owner warrants the preservation of any view, view corridor, or solar access condition described in any marketing materials. Users should not rely on the continuation of any such condition without conducting independent due diligence, including review of adjacent entitlements and active development applications.

### **Limitation of Liability**

To the fullest extent permitted under applicable Utah law, neither Company nor Property Owner shall be liable to any User, prospective purchaser, tenant, cooperating broker, or other third party for any direct, indirect, incidental, consequential, or special damages arising from: (i) reliance on any information published on this website or in associated marketing materials; (ii) any inaccuracy, omission, or change in any information described herein; (iii) any decision to purchase, lease, or not purchase or lease based on such information; or (iv) any condition of the property or its surrounding area not disclosed in writing prior to closing. Users access and rely on information published on this website entirely at their own risk.
