OPPORTUNITY

Prime Location - Nestled on the MOTBY peninsula of Bayonne, the Gold Coast of New Jersey is one of the most vibrant and rapidly growing waterfront communities.

Convenient Location - Strategically located at 54 Flagship Street, there are substantial and prominent retail establishments within a 1 block walking distance - Costco, Starbucks, LI DL, LA Fitness, CVS, etc.

Visibility - Positioned at a highly visible corner location on a pedestrian plaza and set to become part of a future retail corridor, this will drive activity and ensure maximum exposure for your business.

Transportation Hub - Enjoy close proximity to the 34th St. Light Rail Station, a proposed Ferry to NYC, and shuttles to the Grove Street PATH station, public transportation is easily accessible to residents and commuters. There is direct accessibility off NJ Turnpike Exit 14A & Chosen Few Way to this location.

Parking - Ample parking with 161 spots (46 indoor and 115 outdoor), some of which are reserved for the public, providing unparalleled convenience for customers. Featuring 10+EV charging spots with the potential for future expansion.

Expanding Market - There is a noticeable absence of proper restaurant options in and around the MOTBY peninsula, this presents an exceptional opportunity for a dining/ QSR establishment to fill the gap and meet the pent-up demand.

Thriving Population - Bayonne boasts an estimated population of 72,000 people and a median age of 38.9 that continues to grow, offering a substantial and diverse customer base.

Development Boom - Positioned in the midst of a development boom, there are thousands of residential units surrounding this development already under construction and 7,000 additional apartments with high-income residents planned for future development.

Upcoming Luxury Residential Units - Anticipate a surge in demand with the upcoming luxury residential units, this will provide a growing customer base to market and expand compelling food concepts.

PROJECT AREA (AERIAL)

PROJECT AREA

~3,000+ residential Units Within 0.5 mile of the site ,with more than 5,000+ additional units approved.

Significant opportunity to serve growing population in the area.
