COMMUNITY REDEVELOPMENT AREA

CRA
CORE IMPROVEMENT AREA

FROM THE CITY OF BARTOW

The Community Redevelopment Agency's (CRA) Commercial Enhancement Grant Program aims to reduce the number of vacant commercial properties and improve commercial properties by assisting property owners and/or tenants with funding to renovate a commercial space for short or long-term occupancy. The intent of the renovations to a commercial property is to generate significant pedestrian foot traffic to the CRA District and its businesses.

Grants may be awarded to property owners for interior and exterior improvements to commercial property, and the project must include interior improvements for grant approval. The renovations are for first-floor ground-level improvements for the property's interior. This program is intended for interior and exterior renovations that do not exceed a total project cost of \$100,000. The CRA will fund a 50% matching grant for the total cost of the project up to a maximum of \$50,000 for reimbursement. Applicants may spend more than \$100,000 on their project, however, the maximum grant amount for reimbursement will remain \$50,000. Eligible improvements can include exterior improvements for painting, signage, lighting, doors, windows, site improvements, and minor exterior repairs. Eligible interior improvements include windows, doors, standard lighting, electrical, basic HVAC, concrete floor, ADA restrooms, fountains, Interior historical restoration, and fire code improvements. <https://www.cityofbartow.net/302/CRA-Incentive-Grant-Opportunities>
