Remarks:

Sealed bid reserve auction. The list price is starting bid price at auction. Auction date (July 31 @ 2 PM) is the deadline for bids but an offer could be accepted at any time so submit your offer ASAP. Built in 1950, this all brick building is approximately 14,226 sq. ft. above grade, has a newer roof and plenty of parking for future use. It is situated on a 1.22 acre (+/-) lot, offering more space than many other comparable buildings. It has been used most recently as a Fraternal/Religious Hall and is currently tax exempt. The first floor has a full kitchen, large gymnasium & stage area, gathering space as well as some storage rooms. The second floor features a number of offices. A full lower level has a second kitchen, meeting rooms and formerly had a number of bowling alleys, so it could easily be utilized for a wide range of uses from storage to exercise classes or meeting spaces. Bring your imagination and with a bit of remodeling, this could be your organization (or businesses) next 'home' for decades to come.
