Brooks operates a 160-bed inpatient rehabilitation hospital that provides innovative care for people with traumatic injuries or life-changing illness including stroke, spinal cord injury, brain injury or complex neurological and orthopedic conditions.

Their highly skilled and knowledgeable team of doctors, therapists, nurses, neuropsychologists, case managers and more provide compassionate care and each patient receives an individualized care plan to help empower them to reach their highest level of recovery.

Brooks Rehabilitation Hospital is ranked #1 in Florida by U.S. News & World Report's "Best Rehabilitation Hospital" list. The hospital is also CARF-accredited in <a href="stroke">stroke</a>, <a href="spinal">spinal</a> cord injury</a>, <a href="princ">brain injury</a>, <a href="pain">pain</a>, <a href="pain">pediatrics</a> and <a href="general medical rehabilitation">general medical rehabilitation</a>. This accreditation reflects proven outcomes achieved through evidence-based practice.

For over 45 years, HCA Florida Memorial Hospital has been providing high-quality, patient-focused healthcare to Northeast Florida. HCA Florida Memorial Hospital is a 454-bed acute care hospital offering a full line of services, including 24-hour emergency care at three different locations. We feature an accredited Chest Pain Center, certified Stroke Center, Bone and Joint Center and our maternity center, Special Beginnings.

They have a team of over 1,800 employees and 800 physicians on staff and are certified as a Primary Stroke Center by The Joint Commission. In 2023 they received a "A" safety grade by Leapfrog as well as one of the best 100 Bariatric Centers.

## Why lease with Welltower? Your Vision...Our Space

Welltower delivers the health care infrastructure necessary to facilitate better treatment at lower costs and keep patients out of the hospital. Our business is centered on a relationship-based investing platform. We provide real estate capital to leading seniors housing operators, postacute care providers and health systems. Through our capital, these companies are able to grow, innovate and ultimately provide better care.

We take pride in cultivating trusted relationships with the leading health systems, hospitals, practices, and providers across the country. Since healthcare real estate is all we do, we remain persistent, passionate, and more creative than ever before to ensure that we exceed the expectations of our partners to meet the growing demand of outpatient care.
