THE
VILLAGE
 WALNUT, CA

The Village is a ±129,000 S.F. regional retail center at the N.E.C. and N.W.C. of Grand Avenue and Valley Boulevard in the City of Walnut. The project includes TJ Maxx, Home Goods, Aldi, McDonald's, Applebee's, Panera Bread, and several other top-tier tenants. As the retail hub of the trade area, The Village has outstanding access from the Pomona (60) Freeway and signalized entrances from both major streets. Families from the high income Walnut community, students from Mt. San Antonio College (62,000 enrollment) and Cal Poly Pomona (26,000 enrollment), along with 15,000+ employees from the many neighboring businesses all shop at The Village on a daily basis.
