Property Overview

Situated on a generous ±34,192 square foot lot, the facility totals approximately 9,069 square feet, including a spacious main level and a versatile lower level. The main level features a large 200+ seat sanctuary with 14 foot ceilings, a baptismal with two adjoining rooms, and a welcoming foyer that supports smooth arrival and gathering flow. Additional spaces include a full kitchen, a hall suitable for events or classes, eight office or multi use rooms, and a large conference room designed for administrative or group functions.

The lower level offers ±1,610 square feet with additional rooms that can support expansion, storage, youth programs, or future build out needs. Multiple entrances throughout the building allow for flexible programming and accessibility.

Location Overview

The property is positioned within the dynamic 80221 ZIP code, an area that spans portions of Denver and Adams County. This region has experienced steady population and economic growth, supported by its central location, strong transportation access, and ongoing residential and commercial reinvestment.

The surrounding neighborhoods reflect a diverse and active community with a median age in the mid 30s and a broad mix of families, professionals, and long established residents. Adams County continues to grow, supported by expanding employment sectors, new housing development, and infrastructure improvements. The area's demographic strength and upward trajectory make it well suited for organizations seeking long term stability and community engagement.
