To achieve this vision, we have created a framework to guide our actions. The Clockwise Positive Impact Strategy 2021 is based on our biggest environmental impacts, our values, and our opportunity to influence.

It captures our four key goals, and details a roadmap for achieving them.

OUR FOUR GOALS

CLIMATE CHANGE

Help tackle the climate emergency by creating carbon neutral workspaces across the UK, becoming a carbon positive business by 2030.

CIRCULAR ECONOMY

Strive towards zero waste and use of sustainable materials, by embedding circular economy principles into the way we design, operate and maintain our spaces.

HEALTH & WELLBEING

Provide spaces and services that enhance the productivity, health and wellbeing of colleagues and members.

SOCIO-ECONOMIC IMPACT

Proactively support the UK's levelling up agenda and help reduce inequalities. Support new businesses to thrive and create positive socio-economic impact in our local communities.

ENABLERS: Governance & Culture, Systems & Processes, Performance, Attitudes, Skills & Understanding, Marketing & Communications

Sustainability is ingrained in our corporate vision & values, our culture, and everyday actions. Our Positive Impact Strategy 2021 is our first responsible and sustainable business strategy. As we grow, so will our approach. Visit our website to read the full strategy: [here](#)

OWNED & OPERATED

Clockwise is backed by a powerful property portfolio

We own and operate every single Clockwise location. The spaces we craft and the services we deliver are designed with our members in mind.

Higher investment into building facilities with a long-term view point

Full end to end user experience to ultimately provide a better service

No lease liability and strong long-term resilience

Support with complete real estate strategy, collaborating on requirements to combine flexible licenses with traditional leases

KEEPING SAFE

Innovation during COVID-19

COVID-19 is a reality we continue to live with. We have put every possible preventative and protective measure in place, and are evolving as we learn more. Our intention is to keep everyone safe without compromising the office experience.

We've reconfigured our spaces to promote social distancing, increased our already high hygiene standards and have treated all surfaces in public areas with a specialist long-life chemical that kills harmful bacteria on contact.

Physical distancing might be part of our new normal but collaboration and human interaction, at distance, remain at the heart of what we do. Clockwise is still committed to creating environments for you to focus and maximise your productivity so you can continue to grow your business.

DON'T JUST TAKE OUR WORD FOR IT...

“The working spaces are exceptional and varied, meaning that I can work in a quiet area one day, but have the option to work in a more community led communal space the next.”

Gary Langrish, Hogen Data, Liverpool

“The facilities are abundant, the décor is stylish and the Clockwise staff are outstanding. The flexibility offered at Clockwise provides comfort that as my business grows, I’m located in the perfect place to accommodate it.”

Tony McCafferty, Diversity Scotland, Glasgow

“The measures that Clockwise have put in place are excellent and have really eased my mind that staff members will be safe as we prepare to return to our office. They really have thought of everything and made it an easy decision for Simply to return to office working.”

Gary Coburn, Simply Asset Finance, Belfast

“Other than my own home, Clockwise is the only place I can relax and get some work done without worrying about COVID-19.”

Jacob Anderson, The Podcast Host, Edinburgh
