The above permit has been issued by the Travis County Fire Marshal's Office. All work must conform to the design depicted on the approved plans and any plan review comments issued by the Travis County Fire Marshal plan reviewer.

This permit does not authorize any use or occupancy of the building or facility. A separate Certificate of Compliance or Conditional Certificate of Compliance must be issued by the Travis County Fire Marshal's Office prior to use or occupancy.

The issuance or granting of a permit shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of the adopted fire code or of any other ordinance of the jurisdiction. Permits presuming to give authority to violate or cancel the provisions of the adopted fire code or other ordinances of the jurisdiction shall not be valid. The issuance of a permit based on construction documents and other data shall not prevent the fire code official from requiring the correction of errors in the construction documents and other data. Any addition to or alteration of approved construction documents shall be approved in advance by the fire code official, as evidenced by the issuance of a new or amended permit.
