a. AUTOMATIC BID

Also known as “bid by proxy” wherein the bidder establishes a person to bid on their behalf at auction up to a certain limit. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after the auction.

4. CONTRACT

The IFB and the bid, when accepted by the Government shall constitute an agreement for sale ("Agreement") between the high bidder ("Purchaser") and the Government. Such Agreement shall constitute the whole contract to be succeeded only by the formal instrument(s) of transfer, unless modified in writing and signed by both parties. Purchaser agrees that all deposits made with credit cards are subject to forfeit upon Government determination of Purchaser’s default and breach of contract. Purchaser shall not request retrieval, chargeback or any other cardholder refund.

Purchaser agrees and understands that a debt to the United States of America subject to claim or collection by applicable Federal law may be created if their Earnest Money is in any way made unavailable to the Government and that any party that knowingly participates in such retrieval or refund may be held fully accountable for interfering with a Government contract.

It is understood and agreed that the Government is not obligated to pay for any expense incurred in connection with title matters or survey of the Property.

12. TITLE

If a bid for the purchase of the Property is accepted, a quitclaim deed or a deed without warranty in conformity with local law and practice will convey the Government's interest. The Government does not pay for or provide title insurance.

13. EASEMENTS, ENCROACHMENTS AND RESERVATIONS

The Property will be sold subject to any and all covenants, reservations, easements, restrictions, encroachments, and rights, recorded or unrecorded, in favor of third parties, for highways, streets, power lines, telephone lines and equipment, pipelines, drainage, sewer and water mains and lines, public utilities, public roads, railroads and other rights-of-way, and any easements, reservations, rights and covenants reserved by the Grantor herein.

14. COVENANT AGAINST CONTINGENT FEES

The Purchaser warrants that he or she has not employed or retained any person or agency to solicit or secure this contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. This warranty shall not apply to commissions payable by the Purchaser upon the contract secured or made through bona fide established commercial agencies maintained by the Purchaser for the purpose of doing business. "Bona fide established commercial agencies" has been construed to include licensed real estate brokers engaged in the business generally.

15. CONTINUING OFFERS

Each bid received shall be deemed to be a continuing offer for sixty (60) calendar days after the close of the online auction until the bid is accepted or rejected by the Government.

If the Government desires to accept any bid after the expiration of sixty (60) calendar days, the consent of the bidder shall be obtained prior to such acceptance.

16. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

Prior to closing, the Purchaser or Purchaser's agent must open an escrow account with an independent, unaffiliated escrow company ("Escrow Holder") to handle the closing. All closing costs, including escrow fees and document handling expenses, shall be borne solely by the Purchaser. As part of the closing, the Government will provide escrow instructions to the Escrow Holder regarding the recording, disposition of proceeds and related matters.

The closing date of the sale is sixty (60) calendar days after acceptance of the bid. Upon written agreement by the Government, the Purchaser may close the transaction prior to the sixty (60) calendar day period.

On the closing date, the Purchaser shall tender to the Government the balance of the purchase price in the form of an electronic wire transfer. Upon confirmation that Purchaser's wire transferred funds have been received by the Government, the Government shall deliver the instrument, or instruments, of conveyance to the Purchaser for recordation. The Government reserves the right to extend the closing date for a reasonable amount of time.

17. DELAYED CLOSING

Any change to the established closing date is subject to the written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser may be required to pay either: (i) a liquidated damages assessment of \$500.00 per day; or (ii) interest on the outstanding balance of the purchase price, whichever is greater, if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

18. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING

All closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal, state and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

Within five (5) business days from receipt of the executed deed, the Purchaser's Escrow Holder shall record the quitclaim deed in the official records of the county. 19. OFFICIALS NOT TO BENEFIT

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. Bidders may also review bid activity by clicking on the "My Messages" tab once logged in. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.

If your bid is not accurately shown on RealEstateSales.gov, then you should call GSA at 628-233-6513. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high bid, modification to bid increment and the closing date of the auction that is subject to change. Bidder agrees and accepts that notices of any changes to the terms and conditions of sale or instructions to bidders is satisfactory when made available on either or both of GSA's real property disposal websites at RealEstateSales.gov and/or disposal.gsa.gov.

8. ONLINE BIDDING

RealEstateSales.gov allows you to place either a flat or automatic ("proxy") bid. A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder's automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder's automatic bid, the system will record the bid but it will not be considered the current (winning) bid. The required minimum bid will be specified on the bid screen and once entered it will be displayed as the winning bid unless an automatic bid that is greater than this amount has been placed.

An automatic bid is an amount that you set above the posted minimum bid. Realestatesales.gov will use as much of your bid as needed to make you the current winner of the auction or to meet the auction's reserve price. The system will automatically apply the minimum Bid Increment up to the total amount bid to make you the current winner of the auction or to meet the auction's reserve price. Your automatic bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your bid amount but not less than the next bid increment amount. If the system reaches your automatic bid limit, it stops bidding for you. Submit another bid if you want to continue bidding. If you selected to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset your automatic bid amount if you want to continue bidding. Your automatic bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your bid as needed to meet the reserve price.

When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit bid is placed. You may increase or decrease your automatic bid limit at any time. You cannot decrease your automatic bid below the current bid. If you are currently the winner in an auction, increasing your automatic bid will not increase your current bid until challenged by another bid. Changing your automatic bid may affect the indicated time remaining.

If you learn from RealEstateSales.gov that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at RealEstateSales.gov until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online. **The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.**

9. TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive registration information, bid forms or a bid by any method. Failure to receive registration information, bid forms or a bid may include, but is not limited to the following:

- a. Receipt of a garbled or incomplete bid.
- b. Availability or condition of the sending or receiving electronic equipment.
- c. Incompatibility between the sending and receiving equipment and software.
- d. Malfunctioning of any network, computer hardware or software.
- e. Delay in transmission or receipt of a bid.
- f. Failure of bidder to properly identify the bid.
- g. Security of bid data.

- h. Inability of bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
- i. Unavailability of GSA personnel.

If your bid is not accurately shown or you cannot enter a bid at RealEstateSales.gov then you should call GSA at 628-233-6513 for assistance.

The Website will NOT be available during the following system maintenance windows:

- Saturday: 5:00 a.m. to 8:00 a.m. CT
- Sunday: 6:00 a.m. to 10:00 a.m. CT

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may prompt GSA AuctionsSM to extend the closing time for an auction. Extension may range from 1 hour to 24 hours based on the aforementioned criteria, to insure fair and full competition. An email notification will be sent to those bidders who participated in these auctions when they are extended.

10. CLOSE OF AUCTION

- a. Posting of the Close of Auction. The Government will post on the Website the date and time on which the auction is anticipated to close (referred to as the “Soft Close Date” shown on the Website as “Close Time”). This posting is typically at least three (3) business days prior to the posted Close Time. The Website will also show the days, hours and minutes remaining until the Close Time (shown on the Website as “Time Remaining”).
- b. Inactivity Period and Closing of Auction. When the Close Time is posted, a twenty-four (24) hour inactivity period is established (shown on the Website as the “Inactivity Period”) and is posted under the “Bidding Details” tab of the Website. Note that the Website shows the Inactivity Period in minutes with 24 hours represented as 1440 minutes. In order for the Auction to close, the High Bid must remain unchanged for the Inactivity Period. Each time a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will automatically extend for an additional 24 hour Inactivity Period. The Time Remaining and Close Time will adjust accordingly. If the High Bid remains unchanged for the full Inactivity Period, the Auction will close.
- c. Exceptions for Weekends and Holidays. Notwithstanding the foregoing, online auction sales cannot end on Weekends or Federal Holidays. Therefore, if the posted Inactivity Period extends into a Weekend or Federal Holiday, which the Website defines as the time between: (i) 12:00 am on Saturday until 11:59 pm on Sunday; or (ii) the 24-hour period between 12:00 am to 11:59 pm on any Federal Holiday, the Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holiday. Examples are in the table below. Federal Holidays are listed here [List of Federal Holidays](#).

<i>Bid made on:</i>	<i>New closing time</i>
<i>9 pm CT on Friday</i>	<i>9 pm CT on Monday</i>
<i>11:30 am CT on Saturday</i>	<i>11:30 am CT on Monday</i>
<i>4:40 pm CT on Sunday</i>	<i>4:40 pm CT on Monday</i>

Bidders are responsible for monitoring the Website for the posting and any changes to the Close Time, the Inactivity Period, and the Time Remaining.

11. ACCEPTABLE BID

An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

12. BID EXECUTED ON BEHALF OF BIDDER

A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.

If the bidder is a corporation, the Certificate of Corporate/Organization Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute bids on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.

If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this purpose.

13. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed, mailed or e-mailed to the bidder or their duly authorized representative at the fax number physical address or e-mail address indicated on the Bid Form. The processing of a registration deposit by the Government shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

14. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without accepting a bid and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high bid amount; re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

15. INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING

Within three (3) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit Earnest Money in the form of wired funds transfer, equal to at least ten percent (10%) of the total bid in addition to any prior credit card deposits. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit. Upon receipt of the Earnest Money deposit, applicable credit card registration deposits may be refunded.

Upon written acceptance of a bid, the Earnest Money shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of an electronic wire transfer is payable within sixty (60) calendar days after acceptance of bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price.

16. REFUND OF REGISTRATION DEPOSITS

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Refunds will only be processed to the same individual or entity identified on the Bidder Registration and Bid Form for Purchase of Government Real Property Registration Deposits provided by credit card will be credited to the same account number provided.

Upon receipt of the Earnest Money described in Paragraph 15, credit card deposits may be refunded.

Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 17, Backup Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to

withdraw from the auction unless the bidder is the first or second highest bidder. Return of registration deposits will be processed in a timely manner but may require several days before the deposit is returned. Refunds to a credit card will usually be processed within three business days.

17. BACKUP BIDDER

The second-highest bidder will be the Backup Bidder. The bid of the Backup Bidder may be considered for acceptance for the duration of Continuing Offer period described in Terms of Sale, Paragraph 15, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government's discretion. During the Continuing Offer period, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in Terms of Sale, Paragraph 9, Revocation of Bid and Default. When the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.

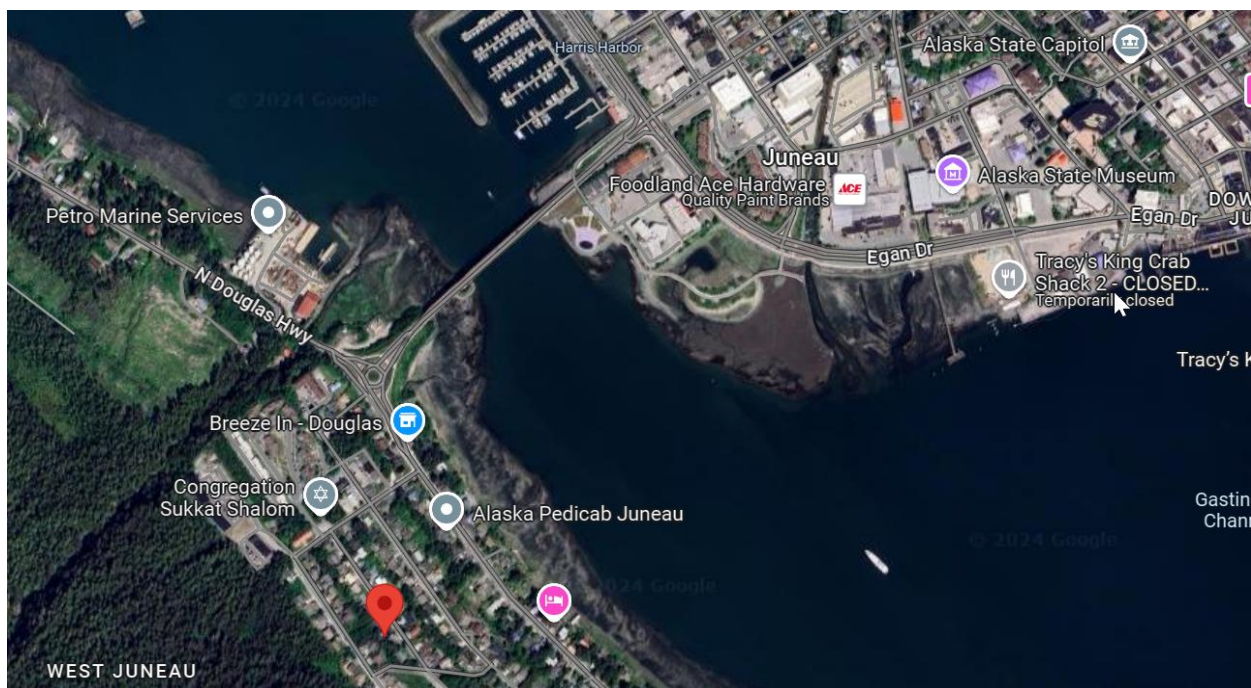

The Registration Deposit of the Backup Bidder will be returned as described in Paragraph 16 Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and accept a bid that is in the best interest of the Government.

18. ADDITIONAL INFORMATION

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance. Bidders may also review the information pertaining to the Property at [Disposal.gsa.gov](https://disposal.gsa.gov) or RealEstateSales.gov.

19. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in bids received.

THIS CONVEYANCE IS SUBJECT TO THE FOLLOWING:

A. HAZARDOUS SUBSTANCE ACTIVITY NOTICE AND COVENANTS.

Pursuant to Section 120(h), 42 U.S.C. 9620 (h) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA), 42 U.S.C. §§ 9601 – 9675, and based upon a complete search of agency files, the United States gives notice that no hazardous substances have been released or disposed of or stored for one year or more on the Property.

The Grantor warrants that all remedial action necessary to protect human health and the environment has been taken before the date of conveyance. The Grantor further warrants that the United States of America shall take any additional remedial action, response action or corrective action which are found to be necessary regarding hazardous substances located on the Property after the date of this conveyance. This covenant shall not apply in any case in which the Grantee, its successors(s), or assign(s), or any successor in interest to the Property or part thereof, is a Potentially Responsible Party with respect to the Property immediately prior to the date of this conveyance. This covenant shall not apply to the extent, but only to the extent, that such additional remedial action, response action or corrective action, or part thereof, found to be necessary is the result of an act or failure to act of the Grantee, its successor(s), or assign(s) or any party in possession after the date of this conveyance that:

- A. results in a release or threatened release of a hazardous substance or its derivative that was not located on the Property on the date of this conveyance; OR
- B. causes or exacerbates the release or threatened release of a hazardous substance or its derivative the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance; OR
- C. causes or exacerbates the release or threatened release of a hazardous substance or its derivative the existence and location of which was unknown by the Grantor and the Grantee as of the date of this conveyance but which is hereafter discovered by the Grantee, its successors or assigns, or any party in possession.

In the event the Grantee, its successor(s), or assign(s) seeks to have the Grantor conduct or pay for any remedial action, response action, or corrective action, and as a condition precedent to the Grantor incurring any obligation or related expenses, the Grantee, its successor(s), or assign(s) shall provide the Grantor at least 45 days written notice of such a claim and provide credible evidence that:

- A. the claimed hazardous substance or its derivative requiring remedial action, response action, or corrective action was located on the Property prior to the date of this conveyance in such quantity that the requested remedial action, response action, or corrective action by the Grantor was required under law applicable at the time of this conveyance; and
- B. the need to conduct any remedial action, response action, or corrective action, or part thereof, is and was not the result of any act or failure to act by the Grantee, its successor(s), or assign(s) or any party in possession.

The Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action on this Property or on adjoining property. This reservation includes the right of access to and use of available utilities at reasonable cost to the Grantor. These rights shall be exercisable in any case in which a remedial action, response action, or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees,

contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. The United States of America shall, to the extent practicable, coordinate any such entry, including such activities, responses or remedial actions, with the record title owner and perform any such entry in a manner that minimizes interruption with activities of authorized occupants.

B. NOTICE AND COVENANT FOR LEAD-BASED PAINT (“LBP”) HAZARDS.

The Grantee, in accepting this Deed, acknowledges that:

- (1) the Grantor has disclosed to the Grantee the presence of any known lead-based paint, or any known lead-based paint hazards, regarding the Property;
- (2) the Grantor provided the Grantee with all lead hazard evaluation report(s) available to the Grantor;
- (3) the Grantor provided to the Grantee a lead hazard information pamphlet, as prescribed by the Administrator of the Environmental Protection Agency under section 406 of the Toxic Substances Control Act; and
- (4) the Grantor provided the Grantee with a period of at least ten (10) days to conduct a risk assessment or inspection for the presence of lead-based paint hazards before the Grantee became obligated under a contract to purchase the Property.

Grantor assumes no liability for damages for property damage, personal injury, illness, disability, or death, to Grantee, its successors or assigns, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with lead-based paint on the Property described in this deed, whether Grantee, and its successors or assigns, have properly warned or failed to properly warn the individual(s) injured.

Grantee, its successors and assigns, covenant and agree that in their use and occupancy of the Property they will comply with all existing Federal, state, local, and any other applicable laws regarding lead-based paint and lead-based hazards, such as 24 C.F.R. Part 35 and 40 C.F.R. Part 745, as well as any said laws promulgated in the future.

Grantee, its successors and assigns, covenant and agree, that with respect to any improvement located on the Property that is defined as “target housing” by 24 C.F.R. Part 35 and constructed prior to 1978, lead-based paint hazards will be disclosed to potential occupants in accordance with Title X (Residential Lead-based Paint Hazard Reduction Act, 42 U.S.C. §§ 4851-4856) before any use of such improvement as a residential dwelling.

Grantee, its successors and assigns, further covenant and agree, that with respect to any improvement located on the Property that is defined as “target housing” by 24 C.F.R. Part 35 and constructed prior to 1960, Grantee, its successors and assigns, will not occupy such improvement, or allow or cause such improvement to be occupied, unless and until the Grantor concurs in writing that all lead-based paint hazards have been abated.

Grantee, its successors and assigns, hereby further covenant and agree that any future transfer or conveyance of the Property shall include these covenants unless and until the Grantor concurs in writing that all lead-based paint hazards have been abated.

Grantor’s concurrence that all lead-based paint hazards have been abated shall not be unreasonably withheld if the Grantee, its successors and assigns, at no cost to Grantor, demonstrates that all lead-based paint hazards have been abated in accordance with all applicable laws and regulations and at least the following requirements:

- (1) before commencement of on-site preparation activities for abatement, Grantee makes current any risk assessment provided by the Grantor if more than 12 months have elapsed since the risk assessment was prepared or, in the absence of a risk assessment provided by the Grantor, makes a lead-based paint hazard risk assessment;
- (2) following abatement activities, Grantee obtains a clearance examination, in accordance with applicable regulations, and conducted by a person certified to perform risk assessments or lead-based paint inspections, which examination must show that the clearance samples meet the standards set forth in 24 C.F.R. Part 35 Subpart R;
- (3) following abatement activities, Grantee obtains a clearance report, in accordance with applicable regulations, prepared by a person certified to perform risk assessments or lead-based paint inspections pursuant to 40 C.F.R. § 745.227; and
- (4) Grantee provides Grantor with copies of any and all clearance examination(s) and clearance report(s).

Grantee, its successors and assigns, further agree to indemnify, defend and hold harmless the Grantor from any and all loss, judgment, claims, demands, expenses or damages, of whatever nature which might arise or be made against the United States of America, due to, or relating to, the presence of lead-based paint hazards on the Property, any related abatement activities, or the disposal of any material from an abatement process.

These covenants shall remain and run with the land in perpetuity and shall be enforceable by the Grantor, the State or Commonwealth in which the Property is located, or both. The Grantor hereby reserves to itself and to the State or Commonwealth in which the Property is located, and their respective officials, agents, employees, contractors, and subcontractors, an easement for ingress to, egress from, and access to the Property in, on, over, through, and across the Property to verify compliance with these covenants by the Grantee, its successors and assigns.

C. NOTICE OF PRESENCE OF ASBESTOS CONTAINING MATERIALS (ACM).

- a. The Grantee is advised that the Property may contain ACM. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the U.S. Occupational Safety and Health Administration (OSHA) and the U.S. Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.
- b. Grantee is invited, urged, and cautioned to inspect the Property as to its asbestos content and condition and any hazardous or environmental conditions thereto prior to conveyance. The Grantor will assist Grantee in obtaining any authorization(s) that may be required in order to carry out any such inspection(s). Grantee shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the Property including, without limitation, any asbestos hazards or concerns.
- c. No warranties, either express or implied, are given regarding the condition of the Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose.
- d. The description of the Property set forth in this conveyance document and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and is believed to be correct, but any error or omission, including but not limited to the omission of any information available to the agency having custody over the Property or any other Federal agency, shall not constitute grounds or reason for any claim by the Grantee against the Grantor.

e. The Grantor assumes no liability for damages for personal injury, illness, disability or death, to the Grantee, or to the Grantee's successors, assigns, employees, invitees, licensees, or any other person subject to Grantee's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property which is the subject of this conveyance, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

f. The Grantee further agrees that in its use and occupancy of the Property it will comply with all Federal, state, and local laws relating to asbestos.

D. CONDITION OF THE PROPERTY COVENANT. The Property is conveyed "AS IS" and "WHERE IS" without representation, warranty, or guaranty of any kind as to any matter related to the conveyance including, but not limited to, the quantity, quality, character, condition (including patent and latent defects), size, habitability, or kind of the Property or any structures or fixtures attached to the Property or that the same is in a condition or fit to be used for the purpose for which intended by the GRANTEE. GRANTEE covenants that GRANTEE has inspected or has had the opportunity to inspect, is aware of, and accepts the condition and state of repair of the Property, and further acknowledges that the GRANTOR has not made any representation, warranty, or guaranty (except as expressly stated above) concerning the condition of the Property.

E. GRANTEE COVENANTS. GRANTEE covenants, for itself and its successors and assigns, that any and all covenants described in this Deed shall run with the land and shall bind the GRANTEE and any successors and assigns of the GRANTEE to the restrictions, agreements and promises made in such covenants, in perpetuity. GRANTOR shall be deemed to be a personal beneficiary of all covenants and warranties, without regard to whether it remains the owner of any land, or interest therein, in the locality of the Property, and shall have the right to enforce these covenants and warranties in any court of competent jurisdiction.

TO HAVE AND TO HOLD the premises above described and mentioned, and hereby intended to be conveyed, together with all the rights, privileges, appurtenances and advantages thereto belonging or appertaining unto and to the proper use, benefit, enjoyment, and behoove forever of the GRANTEE, his heirs and assigns, forever, SUBJECT as aforesaid.

IN WITNESS the following signature and seal.
