

# NORTHERN COLORADO'S PREMIER RAIL-SERVED INDUSTRIAL PARK

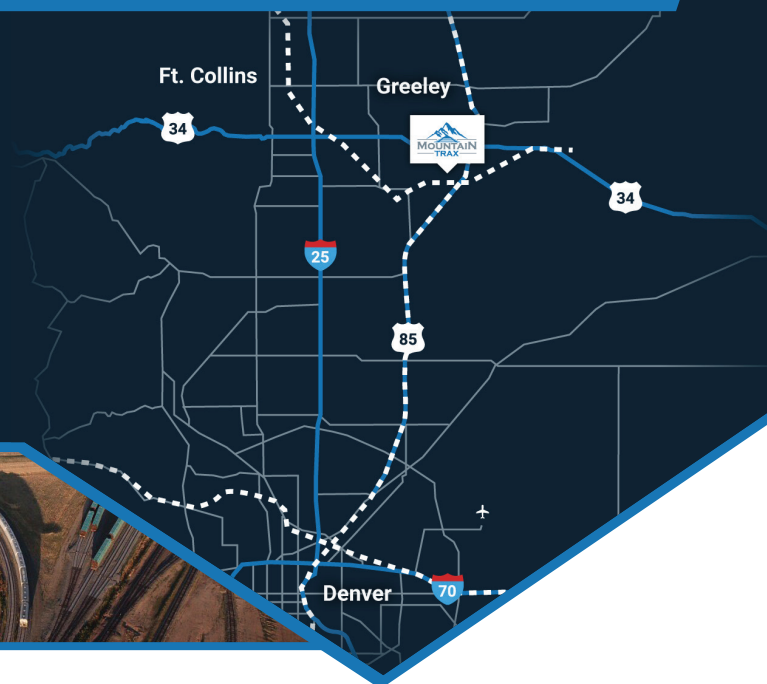

## About MountainTRAX

MountainTRAX is a rail-served industrial park strategically located in Weld County, CO. The park is positioned midway along a major transportation corridor between Denver, CO and Cheyenne, WY.

The 228-acre master-planned industrial park offers ready-to-develop real estate available for sale and lease along with truck-to-rail and rail-to-truck transloading of a variety of bulk commodities.

## Products Transloaded

Aggregates, Agriculture & Feed Products, Building Materials, Crude, Fertilizer, Fly Ash, Industrial Chemicals, NGLs, Pipe, Refined Products, and Sand

## Features
