80.0% of households are in this segment

Family Extensions: *Next Wave* LifeMode

Family Extensions is a family-oriented market distinguished by multigenerational households. Their spending reflects their children-baby food and furniture or apparel for children and fast-food and family restaurants...

[Learn more...](#)

ABOUT THIS SEGMENT

Family market, primarily married couples with children, but also a number of multigenerational households.

Brand loyalty and environmentally safe products also guide purchasing choices, although these consumers are open to new products.

Family is reflected in purchases - baby products and apparel for children. Banking is done primarily in person. Savings and debt are minimal.

Recent purchases reflect personal style - apparel, personal care products like hair coloring and tooth whiteners.

Use, but do not rely on, technology.
