PROPERTY HIGHLIGHTS

- The full 1.07 acre site is paved and fenced with gated access, open and clear for equipment, materials, vehicles and trailers
- 2,600 SF concrete block warehouse with a 1,342 SF raised loading dock running the length of the building
- Office, two restrooms and pallet racking already in place, operational on day one
- IU-1 zoning permits contractors' yards and heavy equipment storage, uses that are increasingly hard to site in Miami-Dade
- Four tenths of a mile off US-1 with Turnpike access under three miles northwest
- Urban Development Boundary lies roughly a quarter mile west, effectively the last industrially zoned acreage on this corridor
- Three phase power, city water and sewer, and a roof approximately ten years old
