About the Property

Located at the front door to West Creek and at the intersection of Route 288 and Patterson Avenue, one of Richmond’s busiest intersections, Oak Hill is poised to become a high-end destination for restaurant and retail shops.

- The development is part of a master planned mixed-use component of West Creek that is over 150 acres and includes retail, an 18-acre apartment site (slated for 300+ units) and lakefront parcels that could accommodate office and other uses.
- Located on the southernmost portion of West Creek, which is home to 12,000 daytime employees, Oak Hill will capitalize on the very underserved restaurant and retail market along the Patterson Avenue corridor.
- 45,000 VPD on Route 288 and 22,000 VPD on Patterson Avenue
