PROPERTY HIGHLIGHTS & CAPITAL IMPROVEMENTS

This exceptional commercial property combines modern functionality with long-term value, thanks to a comprehensive renovation and expansion completed in 2014. Key upgrades and features include:

Capital Improvements

- **Extensive Renovation & Addition (2014):** Complete overhaul of building systems, infrastructure, and design by Schiedel Construction.
- **Parking Lot Redesign (2014):** Newly constructed and professionally designed for optimal traffic flow and accessibility.
- **Roof Replacement (2014):** High-quality roofing system installed, offering peace of mind and reduced maintenance.
- **Exterior Lighting Upgrade (2024):** LED pole lights installed for enhanced visibility and energy efficiency.

Building Systems

- **HVAC, Furnace & Boiler Systems:** All mechanical systems replaced in 2014, offering efficient performance and reliability.
- **Heating:** Boiler and HVAC units
- **Emergency Power:** Outdoor back up generator on site. Stand alone Cummins 350KW diesel Genset ensures uninterrupted operations during power outages.
- **Fire & Life Safety:** Monitored GE fire alarm system and AEDs installed per health & safety standards.

Security & Access

- **Secure Entry:** Card access system and Integra Axiom security ensure controlled and monitored access throughout the building.
- **Elevator:** Delta standard passenger elevator (installed 2014), hydraulic-driven with reception-level access control.

Interior Features

- **Lighting:** Combination of T8 and T5 fluorescent lighting, providing bright and efficient workspace illumination.
- **Windows:** Sealed Thermopane commercial-grade units for energy efficiency and comfort.
- **Telecom/Internet:** Reliable service provided by Bell, supporting high-speed connectivity.

Additional Amenities

- **Acoustic Comfort:** Logison sound masking system enhances workplace privacy and reduces noise.
- **Staff Facilities:** Fully equipped lunchroom with commercial 2-door fridge, freezer, and dishwasher.
- **Water Management:** Water softener and an irrigation system (currently deactivated for conservation).
- **Waste Management:** Moloks for waste and recycling.
