COCHRANE'S TOURISM

Cochrane is experiencing **unprecedented tourism and economic growth**, making it an ideal location for businesses looking to capitalize on a thriving visitor and resident base. With **\$67.5 million in annual tourism spending**, Cochrane has become a **high-traffic destination** for locals and visitors exploring the town's **charming downtown, scenic landscapes, and growing retail scene.**

Looking ahead, the **Cochrane and Area Tourism Association (CATA)** is committed to **expanding the visitor economy**, backed by **\$147 million in projected government investment annually until 2035**. Tourism spending delivers significant returns, with a **\$100,000 investment generating \$67.5 million** in economic impact. As Cochrane doubles down on its position as a **must-visit destination**, businesses that establish themselves now can **secure a prime foothold in this rapidly growing market.**

With strong population growth, increasing foot traffic, and strategic investment in tourism, **now is the time to bring your business to Cochrane.** Whether you're opening a **restaurant, daycare, or retail store**, 1st Street West offers a **high-visibility location** in the heart of this booming community.
