## PROPERTY OVERVIEW

Positioned at the base of The Danforth, one of Seattle's premier mixed-use residential towers, this exceptional retail opportunity offers unmatched visibility and built-in foot traffic at the crossroads of Capitol Hill, First Hill, and the Seattle University district.

Completed in 2018, The Danforth is a 16-story, 265-unit luxury apartment community featuring spacious one-, two-, and three-bedroom residences with sweeping city views and premium finishes. The building offers residents a full suite of upscale amenities including a rooftop lounge and greenhouse, fitness center, dog run, and social spaces — attracting a highly educated and professional tenant base. Above the retail podium, The Danforth's residential levels create a steady built-in customer base for ground-level and mezzanine tenants. With five levels of underground parking, easy loading access, and adjacency to major arterials, the property is designed for both convenience and high visibility.
