## THE OFFERING

# Exceptionally Located Turn-Key *U-District Asset*

CBRE is pleased to present the University Heights Apartments, a fully renovated six-unit multifamily asset located in Seattle's thriving University District. This turn-key investment offers strong in-place cash flow with a 5.54% cap rate and a rare opportunity to acquire a boutique property featuring large, spacious units—five two-bedrooms and one one-bedroom—each fully remodeled to a premium standard in 2021–2022. Each unit showcases modern finishes including white shaker cabinetry, solid surface countertops, and stainless-steel appliances. Recent capital improvements include a new roof, windows, exterior paint, and updated plumbing and electrical systems, ensuring minimal near-term maintenance.

Ideally located just a half-mile from the U District Light Rail Station, University Heights offers residents unmatched access to transit, the University of Washington, and a wide array of neighborhood amenities. With recent upzoning to 400 feet in parts of the neighborhood and a vision to transform the area into a regional innovation hub, the University District is attracting a steady influx of students, professionals, and investment. Additionally, assumable financing at 5.5%—interest-only for the first two years and fixed for four—presents a compelling opportunity for investors seeking strong returns in one of Seattle's most dynamic rental submarkets.
