OVERVIEW & HIGHLIGHTS

The property at 3150 N. Alma School Road is a 8,760 SF building that is currently 27% leased to two tenants, which makes this an outstanding opportunity for either an owner/user to use the building for their business while also benefiting from some in place rental income or for an investor to get major upside through the lease up of the vacancies.

The property also has the significant advantage of two long term cell towers that provide substantial monthly income. The building is in excellent condition and has been well maintained by the current ownership, so there is no deferred maintenance for a buyer to deal with.
