PROPERTY DESCRIPTION

2209 Clement Ave is a newly constructed 21,333 square foot warehouse facility, directly off Route 130, in Pennsauken. Recently delivered by B. Tait Builders and designed for multiple users or a single operator. The building's utilities are located along the front of the building with loading and parking in the rear. There are ten water, sewer, and electrical stub-ins ready to receive office build-out. The building's loading consists of 10-12' x 14' overhead doors evenly spaced, allowing for 10 units of 2,133 square feet each.

The building's proximity to major roadways and bridges, including Route 130, Route 90, Betsy Ross Bridge, Route 73, Route 38, and I-295/NJ-Turnpike Exit 4 provides easy access to Philadelphia, New Jersey suburbs, and regional air + seaports. This site is well positioned to provide services and products locally, regionally, nationally, and internationally.

ZONING

The property sits within the LI – Light Industrial Zoning District, allowing a wide range of commercial, light manufacturing, warehousing, research, and distribution uses, along with certain accessory operations.
