

## ABOUT US

In an era of unimaginative care settings for seniors- Casa Zagara shines as a bold, bright, and reimagined residential home for those who want to squeeze the good out of every day. Come take a tour to see how beautiful you or your family member's life could be moving into what we hope will be 'your' home!

More 'bed and breakfast'  
than 'board and care'

## OUR FEATURES

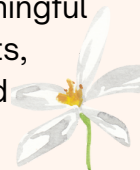

**01** Casa Zagara is designed to feel like home, with warm and inviting decor that promotes a sense of familiarity and security.

**02** Spacious and well-appointed living spaces are provided, ensuring residents have both private and communal areas for relaxation and socialization with stunning orchard views.

**03** Daily activities are designed to stimulate the mind and body, including games, crafts, outings, and cultural events to foster a vibrant and social community.

**04** This home's safety design was customized by an Occupational Therapist to promote wellbeing in aging. This includes many accessibility features meant to reduce fall risk and promote independence.

**05** We prioritize person-centered care, recognizing and respecting the unique life experiences, preferences, and personalities of each resident. Our dedicated staff members build meaningful connections with residents, fostering a supportive and caring community.

## OUR MISSION

At Casa Zagara our mission is to transform the experience of aging from one of fear and anxiety to one that's luxurious and richly satisfying! We feel that these years should be marked by a lifestyle improvement--better food, better views, and better health! We promote independence, and a sense of community while offering personalized care tailored to the unique needs of each resident.
