- Proximity to Metro Transport
- Major intersection: Glenoaks Blvd / Van Nuys Blvd.
- Signage Available along Van Nuys Blvd!
- Retail Amenities & Major Shopping Center in Less Than One Block

Pacoima Overview

Pacoima Downtown Arts District

The city of Pacoima is revitalizing the area by creating a pedestrian-friendly, community-oriented downtown along Van Nuys Blvd between Laurel Canyon Blvd and San Fernando Rd. Phase 1 of this plan has already been implemented, with traffic-slowing measures along Van Nuys Blvd. The city is working with the County of Los Angeles to obtain funding for the next stage of revitalization, which would include funding to improve the façade of existing structures in this area, with the intention of creating a community-oriented city center with a focus on the arts, shopping, dining and new nightlife opportunities. 13460 Van Nuys Blvd has been acquired by the city and will be repurposed as a food hall for local street vendors.

Bradley Avenue Plaza

The city recently developed an outdoor community center on Van Nuys Blvd and Bradley Ave, designed by LADOT and Pacoima Beautiful. The project is being expanded by closing off the alley between Pala Ave and Lehigh Ave to create the Bradley Green Alley. This interactive green space will provide seating, lighting and art from the local community.

Light Rail Development

The East San Fernando Valley Transit Corridor has been approved and is scheduled to be delivered in 2020. The light rail will connect the Orange Line and the Amtrak line and will run along Van Nuys Blvd.

Floor Plan
