WESTLAKE

BRIDGING THE GAP BETWEEN Downtown LA & Koreatown

Westlake is adjacent to other notable neighborhoods, including Echo Park, Pico Union, Downtown and Koreatown. The neighborhood is extremely dense, with endless streets lined with small businesses. MacArthur Park, designated as the City of Los Angeles Cultural Monument #100, is located in Westlake and is adjacent to the Metro's Westlake/MacArthur Park Station, which affords access to the Red and Purple lines. Those lines provide public transportation toward Downtown, North Hollywood and toward Koreatown, with West Side extensions projected to be completed in 2027.

Westlake has recently seen a flurry of development and public safety initiatives, from mixed-use projects to new crosswalks. M2A Architects was contracted to construct a mixed-use project at the intersection of Olympic and Hoover that will feature 173 dwelling units, nearly 37,000 square feet of ground-floor commercial space and parking for 262 vehicles. Amidi Group, a San Francisco-based developer, is 50% completed their \$180 million 1027 Wilshire development. project spans nine stories and features 376 residential units, approximately 5,000 square feet of groundfloor retail space, and subterranean parking for more than 800 vehicles.

Excellent Transit

The Westlake Collection's central location near Downtown Los Angeles results in excellent walkability and accessibility for its residents. The properties are within walking distance of stops on the Metro Red and Purple lines, one stop away from the Metro Blue and Expo lines, within a block of stops for five bus lines, and at the heart of the Los Angeles freeway system.

Hollywood affords a vibrant mix of activities and entertainment for all types of residents. Highly rated restaurants include Katsuya, Cleo, and Musso & Frank Grill (opened in 1919). For the younger cohort, Hollywood also offers an endless amount of bars, chic lounges, and exclusive dance clubs to enjoy. National retailers and original boutiques that line Hollywood Boulevard offer the latest fashions. On Sundays, The Hollywood Farmers Market provides fresh produce and prepared foods. Runyon Canyon Park offers some of Los Angeles' best views and hikes. Residents have affordable public transportation options provided by the Metro Red Line and several bus lines.

HOLLYWOOD

Voted Forbes' Hippest Neighborhood and built around a city reservoir, Silver Lake is well known for its trendy restaurants, nightlife, and avant garde Modernist architecture. Since the end of 1990's the area has also been the center of LA's indie and alternative music scene. Silver Lake has long been a preferred community, but approximately 15 years ago when gentrification began in earnest, home values and rents have sharply increased.

SILVER LAKE

Chateau Carondelet

677 S CARONDELET ST, LOS ANGELES, CA 90057

KOREATOWN

Long celebrated for its art deco architectural heritage and immigrant community, today Koreatown has emerged as one of Los Angeles' most fashionable areas. As the densest part of Los Angeles, new residents flock to this neighborhood just west of Downtown to enjoy walkable amenities, fabulous restaurants, and recently opened boutique hotels like the Line and Normandie. The Metro Purple Line traversing Wilshire Boulevard in the heart of Koreatown will further attract new residents. Thanks to Korean and Latino immigrants, the area is dotted with highly rated ethnic eateries.

DOWNTOWN LA

The Downtown submarket of Los Angeles includes its central business district, which contains the nation's third largest employment pool. Additionally, this submarket features many major sports facilities, sightseeing opportunities, skyscrapers, and large multinational corporations. Downtown is also the hub of the city's freeway network and Metro rapid-transit system. LA Live is one of downtown's most innovative developments featuring sports and music venues, nightclubs, restaurants, a bowling alley, a museum, and movie theaters.
