

PRICE REDUCTION !!!

\$425,000

MOVITIVATED SELLER !!!!

COME CHECK THIS OUT! This building just finished undergoing several exterior improvements to significantly enhance the property's curb appeal and façade. These upgrades, with high visibility, ample parking and its prime location in the City of New Buffalo certainly makes it an attractive option. The addition of the Marquette Greenway Pathway adds an additional layer of appeal. This is an ideal place for YOUR future business endeavor.
