

ABOUT THE HOTEL:

Take a step into the stunning Blue Moon Hotel and you are immediately transported into a place in history where quality and refinement meet comfort and warmth. This award-winning NYC boutique hotel has been lovingly restored. Enjoy your apartment sized hotel room after exploring NYC. Each room is named after legends of the 1920's and 30's yet is up to date with all modern conveniences, such as coded entry, cable TV with all premium channels, wifi, kitchenettes and cooking/serving vessels.

All rooms featured photos by famed prolific 1930s photographer Rebecca Lepkoff.

"The Historic Blue Moon named by National Geographic for a prestigious title 'One in One Hundred and Fifty in the Western Hemisphere to check in to.'"

"A refreshing change from the shiny high-rises popping up downtown, the Blue Moon sits in an 1879 tenement that's been painstakingly restored to reflect its origins."

- Sandra Ramani, New York Magazine
