Property Summary

Property Description

The property offers a modern and professionally designed office and medical campus comprised of three buildings totaling 28,142 square feet. Constructed in 2005, the improvements feature efficient layouts, quality construction, and infrastructure well suited for medical, healthcare, and professional office users. The property has been well maintained and reflects institutional-quality standards throughout. Currently fully occupied, the buildings demonstrate strong functionality and user appeal. The three-building configuration provides flexibility for owner-users or tenants, with the opportunity to acquire or lease the buildings collectively or individually, allowing users to align their space needs with long-term operational plans in a high-quality professional setting.

Property Highlights

- +/- 28,142 square foot professional office and medical property
- Three-building campus offering operational flexibility
- Buildings may be sold or leased together or separately
