Re: IW-A-01-032, Wolf Harbor Road, Map 105, Block 914, Parcel 19, AvalonBay Communities, Inc., Permit to construct a 160-unit age restricted condominium development with construction and grading within 150' of wetlands and watercourses in the Wepawaug River Watershed. Permit extended to 12/21/19.

Dear Mr. Williams:

Pursuant to Public Act 11-5 your permit IW-A-01-032 for Wolf Harbor Road will now expire on December 21, 2019. The permit conditions remain in place and are attached for your records.

The permit is ready to be picked up upon the submission of the items required by the conditions, signature of an authorized agent and the posting of the required bonds. Your attention is directed to the conditions of the permit as approved. You should read your permit carefully, as all construction and work must conform to that which is authorized. The permit must be recorded on the Land Records of the City of Milford to be made valid. The permittee shall have one year from the commencement of approved regulated activity in each phase to complete the approved regulated activity in that phase.

Under PA11-5 approvals shall not be valid for more than fourteen years December 21, 2019 is the final extension for this application. If work is not completed on or before December 21, 2019 the permit will expire. Should you have any questions concerning this matter, please contact the Inland Wetlands Agency Office at 203-783-3256

Should you have any questions, please call me at 203-783-3256.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mary Rose Palumbo', written over the word 'Sincerely,'.
