

Old Conroe Road Project From Loop 336 to FM 1488

April 20, 2021

Pre-Recorded Presentation

Project Summary

Project Location:

Montgomery County

Project Length:

Approximately 5.7 miles

Project Limits:

From Loop 336 to FM 1488

Estimated Construction Cost:

\$120 Million

Project Reference Number:

CSJ: 0912-37-231

Roadway Right-of-Way Required:

Approximately 80 acres

Potential Displacements:

No displacements are anticipated

Welcome to the Virtual Public Meeting

The City of Conroe and the Texas Department of Transportation (TxDOT) welcome you to the virtual public meeting for the proposed Old Conroe Road Widening and Extension Project. The purpose of this virtual public meeting is to afford the public an opportunity to review and provide comments on the proposed project.

This public meeting is being conducted virtually and includes a pre-recorded presentation in English and Spanish. You are invited to view the narrated presentation, exhibit boards and proposed improvements schematic.

Public comments are encouraged.

Proposed Project Description

The proposed improvements would involve the following:

- Construction of a new four-lane bridge over the West Fork San Jacinto River
- Widening existing facilities of Sergeant Ed Holcombe Boulevard and Old Conroe Road from two to four lanes
- Addition of a variable-width median
- Construction of a 10 foot wide shared use path on the east side of the roadway
- Construction of multiple detention ponds
- Curb-and-gutter drainage

The proposed roadway improvements would require approximately 80 acres of additional right-of-way and would not result in any displacements.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Proposed Typical Sections

Why is this project proposed?

The purpose of the proposed project is to improve mobility, increase connectivity, reduce regional congestion, and improve emergency response.

How to Get Involved

The public is invited to participate in the project development process by viewing this Virtual Public Meeting and submitting comments.

You may submit comments in English or Spanish in the following ways:

⇒ Send the comment card by U.S. Mail to:

ATTN: LJA Michael Keck, Project Design Consultant
480 Wildwood Forest Drive Suite 250
Spring, TX 77380

⇒ Comments submitted electronically to: oldconroe@lja.com

All comments are due by **May 5, 2021** in order to be considered in the official Public Meeting Summary Report.

The Public Meeting Summary Report will be available online at the above web address approximately 3 months after the end of the comment period. This Public Meeting Summary Report will contain responses to all comments received by the due date.

Please reference the Project Reference Number, found on the front of this handout, in any communication.

Next Steps

- Consider Public Meeting comments
- Finalize environmental analysis
- Complete Environmental Assessment
- Offer opportunity for Public Hearing
- TxDOT Environmental Decision
- Final design
- Begin right-of-way acquisition
- Anticipated construction to begin in 2023
- Construction time is approximately 2.5 years
