400 GREY ROCK RD,  
PIKESVILLE, MD 21208

# Executive Summary

Harrington Commercial Real Estate Services is pleased to present the opportunity to acquire the Grey Rock Mansion located at 400 Grey Rock Road in Pikesville, Maryland. Listed in the National Register of Historic Places, the historic estate was the family homestead and birthplace of Colonel John Eager Howard, a hero of the American Revolution and three-time governor of Maryland. The Howard descendants sold the property to Dr. Richard H. Maynard in 1857 who constructed an Italian Villa style mansion there between 1857 and 1861. It was named Grey Rock for use of the local natural grey rock in its construction.

The property is situated on a 2.77-acre site and is currently operated as a facility rented for parties and weddings. It includes two parcels, one of which is a parking area of .7444 acres and the other, the mansion located on 2.026 acres. The mansion consists of a three story, 10,659 square foot owner-occupied reception hall/banquet facility.

The current owner has completed numerous renovations at the property since it was purchased in 2019, including an overhaul of the commercial kitchen, the addition of an ADA ramp, and extensive interior and exterior building repairs.

The property is located less than a mile outside of the I-695 Beltway in northwest Baltimore, within the suburban community of Pikesville in the Reisterstown Road Corridor, adjacent to Woodholme Center, a mixed use retail and office complex.
