As the new owner, take advantage and operate your business out of the entire space, or lease out any number of the units at current market rents with tremendous upside potential.

Each of the units brings something unique to the entire space. Unit 1A has an walk-in cooler at the rear of the space, while Unit 1B contains a removable mezzanine and bank vault underneath. Unit 1C has the main double door entry way leading to the outside of the office building, and Unit 1D is a completely open space, closest to the building lobby. Units 1E and 1F are currently occupied by an art gallery and a cafe, and are paying under market rents on month to month agreements, allowing for an increase in revenue or the ability to occupy the entire floor.
