PROPERTY OVERVIEW

This mixed use property has incredible frontage, visibility and access along busy Route 309 in Colmar, near its intersection with Route 202. The retail store is 3,800 SF with incredible signage opportunities and a very reasonable rental rate.

The warehouse component offers excellent accessibility at approximately a 25% discount to similar buildings in the market, making it a strong option for storage & warehousing.

The property features frontage along Route 309, with exposure to very strong daily traffic counts and a well-established commercial corridor.
