The Foreign Investment in Real Property Tax Act ("FIRPTA"), 26 U.S.C. 1445, provides that a buyer of a U.S. real property interest must withhold tax if Seller is a foreign person, unless one of the exceptions in the Act applies. The following will inform Buyer and Closing Agent whether tax withholding is required.

Note: The above law applies to foreign corporations, partnerships, trusts, estates and other foreign entities, as well as to foreign individuals. If Seller is a corporation, partnership, trust, estate or other entity, the terms "I" and "my" as used below means the corporation or other entity. A "real property interest" includes full or part ownership of land and/or improvements thereon; leaseholds; options to acquire any of the foregoing; and an interest in foreign corporations, partnerships, trusts or other entities holding U.S. real estate.
