

# Cedar Commons

3293 Cedar Links Drive | Medford, Oregon 97504

Cedar Commons is a mixed-use development that includes ground floor commercial spaces along both Cedar Links Drive and Farmington Avenue. A large community-oriented food court is located near the active intersection and will include up to (8) small scale restaurants along with a central bar & taproom.

Indoor and outdoor dining spaces meander throughout the food court area and within the shared open covered beer garden space. Outdoor dining and gathering areas include a park-like gathering space with a central water feature directly adjacent to the food court and primary entryway to the development.

The Cedar Commons Food Court will be anchored by Adda Beer Medford, which will offer a full bar and taproom. The Food Court will be a valuable amenity to the community and neighborhood and will provide a wide range of available cuisine options along with a coffee shop.
